COMMERCE AND MARINE.

SATURDAY MORNING, SEPT. 16, 1865.

The Daily British Whig is the only Kingston Newspaper which procures the Daily Market Prices of Montreal.

Gold in New York yesterday was dull and tended lower. Considerable amounts have been sold to 30 to 60 days' sellers. The price ranged at 143¼ to 143¼.

MONTREAL MARKETS.

[Special Telegram to the British Whig.]

Montreal, Sept. 15, 1865.

William Nivin & Co., Commission Merchants, Corner of St. Nicholas and St. Sacrament Streets, Montreal, report:—

Flour—Superior Extra, $7,00 a 7,25; Extra, 6,50 a 6,75; Fancy, 6,25 a 6,30; Welland Canal Superfine, 5,40 a 5,50; Superfine No. 1 Canada Wheat, 5,80 a 5,60. Wheat—Canada, 1,14. Gold in New York at 12 o'clock, 143¼. Flour receipts light; no transactions of any consequence; buyers averse to buying at present rates; holders firm, but quotations for the present difficult to be had; we say nominally unchanged. Butter unchanged. Peas offering, to arrive, at 90 a 90¼ per 66 lbs; the former rate would be accepted.

Export of Cattle.—This branch of trade is getting livelier every day. Some 600 sheep, 13 horses and 60 head of cattle, from Brockville, passed up in the steamer Ontario on Thursday night, and 120 head of cattle were shipped here last night on the Bay State for Oswego. The ferry steamer Pierrepont has as much as she can carry every trip, in the way of live stock, and turns in quite a small fortune for her owners. The speculators are clearing the country of a great many cattle, but it is so much the better for the country. It is a mystery how they get rid of so many in the States.

Marine Items.—The business done since Thursday has been brisk, and there are signs of a good fall trade. A number of vessels were reported yesterday. The R. M. steamer Banshee passed down at the usual hour in the morning, and the Champion up in the evening. The Am. Ex. steamer Bay State passed down also in the morning, with a full load of freight. The Ontario passed up the previous night, loaded down to her guards, and took on board a quantity of butter at this port. This commodity commands 45 cents in Greenbacks per pound in Oswego. The propeller America, from Montreal to St. Catharines, called early on Thursday morning, with a very fine cargo. She landed a quantity of sugar for J. Carruthers & Co. The steamer Huron, from Montreal to Hamilton, called at midnight, with a very full load, and discharged a great part of her cargo. The propeller Colonist, from Chicago and Milwaukie, bound for Montreal, with a full cargo of wheat from latter port, arrived yesterday morning, and lightened nearly 4,000 bushels at E. Berry & Co.'s, leaving with balance of cargo at noon. The barque British Lion from Chicago, with 15,400 bushels of wheat, arrived on Thursday night, consigned to G. Chaffey & Bros. The steamer City of Ottawa arrived yesterday from Ottawa. The barque Malta finished loading with salt for Chicago, and schooner Eureka with wood for Toronto. Both have cleared and left. The barque Prince of Wales, with salt for Chicago, leaves to-day.

Parties Looking Up.—The increase in business throughout the whole Province has made times more lively for shippers and forwarders. For the last week or so there has been a perceptible increase of all kinds of goods under transportation both to and from Montreal. Scarcely a boat now touches our docks that is not loaded down, and freight is beginning to accumulate on the various docks. Apparently the good times desired by shippers and all the sea-faring community, will be realized this fall.

New Firm.—Messrs. Lockie and Sellars formerly of Kingston, but latterly of Chicago, have established a distilling business in the latter city and go into business immediately. The distillery will be under the management of Mr. Henry Sellars, who will undoubtedly conduct the business in a very able manner.

Accident to the Propeller Enterprise.—The propeller Enterprise of the Welland Railway Line, while turning around in the harbor last evening broke her screw by striking the bottom of the river. She will be detained here till the arrival of the Perseverance, when she will be towed to Port Dalhousie for repairs.—Oswego Times.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

B. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

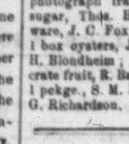
AYER'S PILLS.



Are you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo191 & 33

The surgeons' reports show that our armies have suffered greatly from chills and fever which is induced by the miasma and change of climate to which they are exposed. They also find Ayer's Ague Cure is an effectual remedy for this distemper, and are urging the government to adopt it within the regulations. The Surgeon-General hesitates, because it is put up in a proprietary form. However great that convenience to the public, he prefers the physicians of the army should give their own directions for the doses. Whatever professional pride may dictate, he knows as well as we do, that Dr. Ayer's "Cure" is an almost perfect antidote for the Ague, and that the soldiers should have the benefit of it, as well as the people.—[Washington (D.C.) Correspondent. 191 & 33

The State of Amherst Island,
The State of Wolfe Island,
The State of Garden Island,
The State of Bell's Island,
and last, though not least,
The beautiful State of the Ducks.

OUR American neighbors would be proud to add to their vast territory those five large States, but they have not got them yet, and I earnestly hope they never will. Always with an eye to business, the keen Yankee finds out that there is direct water communication from east of these fertile States with

MORRISON'S
Wholesale Flour Store,
40 Princess-st., Kingston.

MORRISON has 100 barrels XXX Pastry Flour, from new Wheat.
MORRISON has 250 barrels Extra Family Flour, from new Wheat.
MORRISON has 300 bags No. 1 Superfine Flour, to arrive this week.
MORRISON sells good Family Flour as low as some of those two-penny half-penny shops sell an inferior article.
Buy your Bran from Morrison; it is fresh ground from fall Wheat—none of your two-year old musty stuff.
Buy your Shorts from Morrison, fresh and sweet; it will do your animals good.
If you happen by accident to drop into one of those two-penny half-penny concerns, dart out at once, and make tracks for Morrison's, where you will find everything to suit you, where everything is well regulated and in good order, where no inferior goods are sold, and you will at once arrive at the conclusion that you have found the Toronto Wholesale FLOUR STORE, and a man that understands his business, in MORRISON.
Kiln-dried Oatmeal, the best in Canada.
Double Bolted Cornmeal for family use.
Wheatmeal from picked new Fall Wheat.
Cracked Wheat from fresh ground best white Winter Wheat.
The above goods are specially manufactured for my customers, and I defy competition.

sSELF-RISING OR PATENT FLOUR.

I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merely mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.

N. B.—I have a few choice SUGAR-CURED HAMS still on hand.
