Gift Suggestions From Chapman's Furniture Store

GIFTS ARE HERE---So good and so many that every member of the family can be provided for; and the beauty of getting a gift at Chapman's is that it is practical and useful.

We Wish to Impress

upon the public the uselessness of buying Furniture of extraordinary low-price. There's nothing in it. Below a certain amount it's impossible to manufacture

GOOD FURNITURE

and below that amount we never attempt to buy. What we offer can be purchased with a feeling of certainty that it will stand the wear, etc.

Kitchen chairs.....45c. to 75c
Dining chairs.....75c. to $3.00
Sideboards.....$15.00 to $30.00
Extension tables.....$7.50 to $15.00
Pictures complete to hang 25c. to $2.50

Be Comfortable Christmas

and make your friends comfortable by presenting them with some article of

FURNITURE

that will be an everlasting comfort. Our assortment of fancy chairs, rockers, couches, etc., was never so great. And we are selling them for less than we ever expected to. For instance:

Parlor suites .....$25.00 to $45.00
Parlor tables.....$1.00 to $3.50
Jardinier stands .....$1.75 up
Music cabinets.....$9.00 to $15.00
Fancy chairs.....$5.00 to $12.00

Good Furniture Cheap!

It doesn't follow that a thing is cheap because you happen to pay a small price for it. Other things must be taken into consideration. There isn't a dealer between Atlantic and Pacific who sells furniture any cheaper than we do, and they're doing pretty well when they can match our figures. But we never lose sight of the fact that a bad article injures both buyer and seller. Nothing can come much nearer to suiting you, both as to quality and price, than our,

Bed room suites.....$14.00 to $35.00
Iron beds.....$3.75 to $10.00
Mattress.....$3.00 to $6.00
Springs.....$3.50 to $15.00
Couches.....$5.00 to $12.00

Columbia Grafonolas

Records, Needles, Catalogues

The Columbia is the perfect talking machine. Compare all others, then hear this and we are not afraid of the result. We can sell machines on easy terms to responsible people.

All the best appointed city homes have their parlor machines and there is no reason why the farmer should not have the best music of the day in his home, including band music, vocal artists, and performers on all kinds of instruments. You can have it on a Columbia Grafonola, as perfect as the original, and for much less than you would pay for a Common Organ. They range from $20 up.

Both Win, Both Lose

According to a decision given by Mr. Justice Clute, the township of St. Vincent is responsible for half the upkeep of a deviation road on the boundary line between St. Vincent and Euphrasia which has been a bone of contention between the two townships for some time, Euphrasia claimed that St. Vincent was equally responsible for the upkeep of the road, and St. Vincent claimed it was not. The case was taken to the courts, Euphrasia entering an action to recover $721.74, being one half the amount expended by that township in maintaining and repairing the road in question from 1891 to 1914, inclusive, and for an order declaring the road to be a deviation of the boundary road and that St. Vincent is equally responsible with Euphrasia for the upkeep. The claim for arrears was dismissed. The decision as given by the judge is as follows:

Township of Euphrasia vs. Township of St. Vincent.—Declare that road in question is a deviation road within the meaning of the statute, and that defendant is liable with plaintiff for due proportion of its maintenance, such proportion to be ascertained by arbitration if Councils cannot agree. The claim for arrears of maintenance prior to demand dismissed without costs of action on higher scale. —Sun.

Winter Tours to California, Florida, Etc.

At this season of the year many are planning their winter tours. Considerable numbers annually visit the ever popular California resorts, while many choose the flowers and sunshine of Florida together with the very even climate.

Numerous people in comfortable circumstances, well able to afford a winter tour, have the mistaken idea that e trip of this nature is most expensive. This is not so. Thanks to modern railway facilities, an extended trip, both interesting and educational, may be made with speed and comfort at a comparatively small cost. Why not investigate?

The Canadian Pacific railway offers particularly good service to Detroit, where direct connection is made for Florida, via Cincinnati, Ohio and Atlanta, Ga. Jacksonville, Florida, is reached second morning after leaving Detroit. Excellent connections for Florida can also be made via Buffalo.

The Canadian Pacific-Michigan Central route (via Michigan Central twin tubes between Windsor and Detroit) will be found the ideal line to Chicago, where direct connection is made for the southern States. New Orleans is reached second morning after leaving Toronto.

Direct connection is also made at Chicago for points in California, Texas, Arizona, etc.

The dining, parlor and sleeping car service between Toronto, Detroit and Chicago is up to date in every particular. Connecting lines also operate through sleeping and dining cars.

Those contemplating a trip of any nature will receive full information from any C. P. R. agent; or write M.G. Murphy, District Passenger Agent, Toronto.

Singhampton

We are pleased to see little Miss Olive Heppenstall out again after her recent attack of chickenpox.

Mr. David Winters of Maxwell spent Sunday with relatives here.

We are sorry to report that Mr. William Elliott, who has been confined to the house the greater part of the summer, has been in a serious condition lately. His daughter, Mrs C. Neff, is expected home from the West this week.

On Sunday we were fortunate in having with us Dr. Dodds, a missionary from Mexico, who spoke on his wyrk. On Tuesday he favored us with an illustrated lecture on the life of the late Dr. Guidey, the first Canadian missionary to the foreign field.

Our town is once more fortunate in possessing the services of a skillful physician in the person of Dr. Guy.

We are glad to hear that at the time of writing Mr. Chas. Richmond who has been ill is improving.

Mrs. Edwards, sr, who has been suffering with a severe cold, is not so well as usual.

We sympathize with the friends of the late Mr. Allan Bell.

Born—On December 6th, to Mr. and Mrs. Wm. Sharp, a daughter.—Bulletin.
