The State of Amherst Island,
The State of Wolfe Island,
The State of Garden Island,
The State of Bell's Island,
and last, though not least,
The beautiful State of the Ducks.

OUR American neighbors would be proud to add to their vast territory those five large States, but they have not got them yet, and I earnestly hope they never will. Always with an eye to business, the keen Yankee finds out that there is direct water communication from east of these fertile States with

Wholesale Flour Store,

MORRISON has 100 barrels XXX Pastry Flour, from new Wheat.
MORRISON has 250 barrels Extra Family Flour, from new Wheat.
MORRISON has 300 bags No. 1 Superfine Flour, to arrive this week.
MORRISON sells good Family Flour as low as some of those two-penny half-penny shops sell an inferior article.
Buy your Bran from Morrison; it is fresh and from fall Wheat—*none of your two-year old musty stuff.*
Buy your Shorts from Morrison, fresh and sweet; it will do your animals good.
If you happen by accident to drop into one of those two penny half penny concerns, dart out at once, and make tracks for Morrison's, where you will find everything to suit you, where everything is well regulated and in good order, where no inferior goods are sold, and you will at once arrive at the conclusion that you have found the Toronto Wholesale FLOUR STORE, and a man that understands his business, in MORRISON.
Kiln-dried Oatmeal, the best in Canada.
Double Bolted Cornmeal for family use.
Wheatmeal from picked new Fall Wheat.
Cracked Wheat from fresh ground best white Winter Wheat.
The above goods are specially manufactured for my customers, and I defy competition.
SELF-RISING OR PATENT FLOUR
I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merely mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.
N. B.—I have a few choice SUGAR-CURED HAMS still on hand.

Commencement of the Sixth Volume
OF THE
CHURCHMAN'S FAMILY MAGAZINE
ILLUSTRATED. 1s. MONTHLY.
"Among the many religious periodicals of the present day this magazine occupies a place of its own. Most magazines of a religious character address the Christian world at large; but this is essentially a Church of England publication, written by Churchmen—which regards the events and the literature of the world from a Churchman's point of view. There can be little doubt that the increasing efforts now being made to render this periodical still more worthy of support will be appreciated. Some of the most distinguished writers of the present day are engaged on it, and they deal in a most felicitous manner with subjects which employ the thoughts of Christian men, and which may be of use and delight in the circle of the Christian family. 'The Clerical Club,' as usual, deals with a variety of topics in a smart style." Dublin Evening Gazette.

AMERICAN WATCHES.
THE AMERICAN WATCH Co.
OF WALTHAM, MASS.,
Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desirous of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.
The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making
GOOD WATCHES,
AND SELLING THEM AT MODERATE PRICES.
At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.
The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
