The hydro light was used in the Methodist church Sunday night for the first time, and to say that the audience was pleased is putting it mildly. The auditorium was brilliantly illuminated, yet the light was soft and restful to the eye. The inspector was pleased with the installation and says it is one of the best lighting systems to be found anywhere. The church owes a heavy debt of gratitude to Dr. Murray, W. Morton of Wareham, and Mr. Thos. Bentham, who have designed and installed the system free of charge so far as workmanship is concerned. To Dr. Murray especially is the thanks of the congregation due, he having gone to Toronto and purchased the plant.
