COMMERCE AND MARINE.

TUESDAY MORNING, OCT. 24, 1865.

MARINE ITEMS.—The heavy wind abated on Saturday night, and the great fleet of vessels were cleared out of the harbor by Sunday morning. The propeller Indian, for Hamilton; propeller Colonist for Buffalo; and propeller America, for St. Catharines, (which was obliged to run back in the afternoon) left on Saturday night. The propeller East, for Chicago, and steamer Osprey, for Kingston, arrived up on Saturday night. The former left early on Sunday morning. The steamer Silver Spray, from St. Catharines to Ogdensburg with flour, called on Saturday night. The steamer Huron, going down, called yesterday morning. The following vessels arrived on Sunday, and reported yesterday:—Barque British Lion, Chicago, 15,400 bushels wheat, for G. Chaffey & Bros.; barque Prince of Wales, Milwaukie, 17,500 bushels wheat, for J. H. Henderson & Co.; schooner B. F. Davy, 18,200 bushels wheat, for J. H. Henderson & Co.; sloop Greyhound, Oswego, 2,300 bushels barley, for J. McCormack.

HOME AGAIN.—The steamer Osprey, Capt. Frank Paterson, arrived from Montreal on Saturday night, in the hands of her former owners. We mentioned her arrival in Montreal, and her previous history in a former paragraph, and all we have to say now, is to complement her owners on her safe return.

BARLEY FOR CHICAGO.—The barque Valetta, loaded with 12,000 bushels of barley, consigned to Chicago, left this port on Saturday night. The barley has been purchased in lots on the Bay of Quinte by a single firm in St. Louis, who are now loading the barque Republic with the same grain, for the same destination. The newly increasing trade will be a great source of revenue to this section of our fine country, and must be a good thing for the farmers. It is very strange to see grain shipped westward.

POLICE COURT, Monday.—(Before the Mayor.) There was an interesting docket this morning. Thomas Shannon, John Wafer, John Kelley, Thomas Davis and James Hill were charged with drunkenness, and were reprimanded and discharged. With one exception they were from the country, and were strangers to the Court.—Mary Spooner, Mary Reade, Ellen McDonald and Susan Brickwood, a fresh lot of vagrants, released from gaol, were brought up for vagrancy. The latter couple were also disorderly. Brickwood and Spooner were sent back to gaol for sixty days. Reade and McDonald were allowed an opportunity of leaving the city. James Whitcomb appeared on a charge preferred by Ann Taylor, alias Minnie Smith, for breaking the windows of her house, situated in Williamsville, on Saturday morning about one o'clock. William Jones deposed that he had occasion to visit Mrs. Taylor's house on Friday night, and at the hour mentioned Abernethy's cab came to the door, and defendant got out. Admittance was refused, and Whitcomb threw some stones at the windows of the house, smashing several panes of glass. He then left. The mark of a knife was found in the door, and he supposed it was made by defendant.—Abernethy, the cabman, deposed that he did not drive Whitcomb to Mrs. Taylor's that night, but did three others.—There were five girls besides complainant and the cook in the house that night. He knew the house to be one of ill-fame.—Several rows had occurred lately in it. Defendant then deposed that he left the drill shed, where he attended inspection on Friday night at ten o'clock, went straight home and remained there for the remainder of the night. He was not near complainant's house. The case was dismissed. The Mayor instructed the High Bailiff to break up the house of Mrs. Taylor, if he found it of the character it was represented to be. Levis Lee was charged with allowing his cow to run at large on Robert Spencer's fields, and fined $1 and costs under the new city by-law. Mrs. E. Shannon was charged by Mr. T. Robinson with forestalling, by purchasing some turkeys from an Island woman before ten o'clock on Saturday morning. Mr. Robinson at the time was buying one of the turkeys. The defendant was fined 50 cents.

VESSELS LOST ON LAKE HURON.

Goderich, Oct. 21.

Three vessels have gone ashore between hereabout Sarnia. No particulars have yet been received.

SCHOONER DAMAGED.—The schooner Joe Navagh, in coming into the harbor last night during the gale, lost her foremast, split her mainsail, and her davits and boats carried away. She was laden with wheat.—Oswego Times.

A company has been formed to dig for oil in North Augusta. Leading capitalists in Ogdensburg and Prescott are interested, and it is probable that the oil deposits of Central Canada will be thoroughly examined. As we have often stated, there is proof that oil, in paying quantities, exists east of a line drawn from Mt Sarah in Goderich, across the Peninsula, but there may be, notwithstanding the disbelief of the geologists.

On Saturday last the steamer Colchester ran upon a sunken crib at Cobourg and became so fast that a tug boat from Kingston had to come to pull her off. Her cargo of cattle was thrown overboard and swam ashore. On being hauled off, she was found to be all right, not having sustained the slight est injury. She immediately reloaded and proceeded on her trip.

Oil was struck on Monday last at the well No. 15, close to the village of Bothwell, on the property of the Scotch Company. This was the first substantial success met with on the land of the Company, and as may naturally be supposed, it created quite an excitement in the neighborhood.

HUDSON'S BAY COMPANY.—A correspondent of the London Times says: "Official information already before the public, states $1,000,000 or £5,000,000—as the in tenity required by the Court of Directors for the surrender of the Company's chartered territory to Canada. With that charter is extinguished all the objects for which the capital of £1,200,000 was subscribed, and all the moneys effective profits on the current of which £80,000 are acknowledged to have passed to the promoters." The correspondent remarks:—"Shorn already by the promoters, and again about to be clipped by Canada how will the assets ultimate stand?" After doing justice to everything at cost price, there stood then to Dr. £3,288,328. For course, all the Assets, including investments and account indemnity from Canada, from the United States, Russia, Oregon, and sale of lands at Vancouver, &c., £1,426,361; if fairness, £862,245, to use a term which is left vague, then, "For Profit," represented in the Assets by £630,161 but intrinsically worth—What? So it seems the new Company did not deserve so profitable a bargain as many supposed.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" " " I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" " " Thou will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" " " I have been a great sufferer from Dyspepsia, and had to abandon preaching. " " " The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" " " Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" " " I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" " " The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" " " The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
