YOUNG LADIES' ACADEMY
OF THE GREY SISTERS,
OTTAWA CONVENT.

Under the Patronage of His Lordship the Right Reverend Dr. Guigues.

THIS INSTITUTION, established some Twenty years ago, is well calculated by its position between Upper and Lower Canada, to afford the greatest facilities to French and English Young Ladies, for acquiring a complete education in their mother tongue and at the same time, in another tongue that is foreign.

Nothing has been neglected that could contribute to attain this double end; and the ample and honorable testimony constantly rendered proves the effort to have been successful.

Among many means employed to develope the intellect and cultivate a literary taste, are a well regulated Post Office and a Weekly Newspaper, edited exclusively by the young Ladies.

In the Commercial course a practical emulation is excited by a Bank and Commercial Rooms, in which business is transacted in both languages.

It is a particular point of the rule that some of the recreations of the day are, each alternate week, strictly French, or entirely English, for those who are capable of speaking both languages.

Those who study Music will find everything that could secure them rapid and brilliant success; for this, it suffices to say that no fewer than Six Teachers are devoted to this Department, which embraces the Harp, Piano, Guitar, Melodeon, Organ, &c.

A similar number of Mistresses preside over the different kinds of Painting in Oil, Pastille, Poonah Painting, and the different kinds of Drawings, Embroidery, Wax Work, Artificial Flowers, &c. The Ornamental is not permitted to supersede the useful; for all the pupils are obliged to learn the theory and practice of Domestic Economy.

No distinction of Religion is made in the admission of pupils. Children of different denominations, though obliged to conform strictly to the order of the House, are not required to assist at the Religious exercises of the community.

☞ Circulars containing particulars can be obtained by addressing the Lady Superior.

The Classes will re-open on the First of September.

SELF-RISING OR PATENT FLOUR.

I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merely mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.

AMERICAN WATCHES.

THE AMERICAN WATCH Co.
OF WALTHAM, MASS.,

Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desirous of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.

The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 130,000 Watches of their manufacture have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making

GOOD WATCHES,

AND SELLING THEM AT MODERATE PRICES.

At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.

The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
