At the closing session of the County Council a flag executed by Belgian children as acknowledgment of the county's gift of flour was presented, but the flag was decorated with the stars and stripes instead of the union jack. Some of the members wanted the flag returned to Belgium, but fortunately wiser counsels prevailed and the Belgian children will never have the mortification of having the flag returned for remodelling. The county clerk will have this done himself.

The bodies of the two young men, Charles Smith and William Wilson, drowned in the hydro dam at Eugenia, were found floating on Saturday evening last about 8 o'clock. The bodies came up exactly nine days from the time of the accident. For three or four days a Toronto diver had been endeavoring to recover the bodies but was unsuccessful. John Wison found his brother's body and a little later young Wilson's body was found floating at the same spot. The young men had evidently only been out a few minutes when the accident occurred as a watch carried by one of them had stopped at fiifteen minutes to eight o'clock. The double funeral took place to Salem burial ground on Sunday.

Mr. and Mrs. Montgomery and two children of Toronto, were visitors at the Methodist parents over the holiday. Mrs. Montgomery, sr., accompanied them and is remaining for a week with her daughter, Mrs. Dudgeon. Miss Ethel Dudgeon accompanied her uncle home in his car.

A serious accident happened to Mr. J. J. Fleming, of Derby Tp., on Tuesday of last week when he had the misfortune of having his left leg broken. The accident happened at the barn raising of Mr. David Wadell. With several other men Mr. Fleming was taking down one of the overlay timbers. It slipped through the rope and struck him on the left leg breaking it a short distance below the knee. Mr. Fleming was at once removed to his home, when medical aid was summoned and the fracture reduced. We are pleased to report that Mr. Fleming is progressing favorably.—Tara Leader.
