Flesherton has nothing to be ashamed of in its lower school examinations this year, although the percentage is not so high as last year. Over 50 per cent. of the pupils here were successful, while many other schools did not pass 25 per cent. Owen Sound collegiate only passed 10 out of over 60 who tried.

A quiet but pretty wedding took place in Toronto, when Miss Ethel Richardson, daughter of Mr. and Mrs. John Richardson, of Flesherton, Ont., became the bride of Mr. George E. Parry, son of the late Prof. E T. and Mrs. Parry, Toronto. The ceremony was solemnized by the Rev. Thomas W. Neal. They will reside at 454 Dundas street, Toronto.

After a week of extreme heat electric storms passed over the north part of the county, Sunday night, resulting in a cooling of the atmosphere. The rainfall was not great, however, only in spots. At Flesherton practically no rain fell. The dust was scarcely laid, but still it was the most that has fallen during the past six weeks. Root crops are suffering.

A serious runaway occurred in town Sunday evening. Miss Lulu Mitchel and friend, Miss I. Ashenhurst of Toronto, were driving on the main street when a band of the harness broke allowing the buggy to run on the animal's heels. This started it off and it ran to the outskirts of the town when it ran against an electric light pole and both young women were thrown out on the cement sidewalk. Miss Ashenhurst received a bad cut behind the ear which bled profusely and required two stitches to close it. Both girls were badly shaken up but there appears to be no serious injury. The buggy was badly smashed.

Q. M. Sg. A. E. and Sergt. R. P. Bellamy of the 114th Batt., Camp Borden were home on four days' leave.

To-morrow, Friday, is the anniversary of the declaration of war, and the Organization of Resources Committee of the Province has asked that the day be observed by holding meetings and the necessities of the case placed before the people. Unfortunately this appeal did not come in time to combine the day with our civic holiday. More men, money and supplies are needed to carry on the struggle.

A few minutes of intense excitement was experienced in town on Monday when a serious conflagration was narrowly averted. Mr. John Heard, blacksmith, had been setting wagon tires within a few feet of his building and did not extinguish the fire when through. The high wind caused the fire to communicate with the building and when discovered it was burning up the side of the building quite fiercely. A little quick work by a bucket brigade succeeded in extinguishing the blaze but a minute or two more would have been too late and a very serious fire would have resulted.

The Red Cross Society's bean garden party at Mrs. L. Badgero's last Friday proved a good success notwithstanding the very busy season. Eugenia and Rock Mills ladies baseball teams played an interesting and friendly game with fortune favoring the latter team. Mr. Buskin of Flesherton, was a genial chairman and introduced a varied programme which was much enjoyed. The affair was advertised as a bean social, but the ladies sprung a surprise by providing all the usual delicacies until the tables fairly groaned with tempting viands and judging by the way some took pity on the tables we suspect that there would still be some groaning after the company was dismissed. A full report of the proceeds was not given but a snug sum was added to the coffers of the society.

Mrs. H. Zeiggell spent a few days in Duntroon last week with friends.

Mrs. Currie accompanied by her daughter, Miss Kate Currie, of Chicago, are spending the holidays with relatives here.

Miss Florence Ewing with her friend, Miss N. Smith, of Port Hope, are visiting at the Exchange.

Miss Ida Lawrence and Mrs. George Crisp came up from Honeywood on Friday and spent the week end with friends here.

We are glad to hear that Mr. H. Neff, who was so unfortunate as to get his hand cut in C. Heyburn's mill, is improving rapidly.

The Presbyterian garden party held at Charlee Heppenstall's on Friday was a very successful affair. As one lady was heard to remark, "it was the best garden party she had ever been at in Singhampton." The afternoon was ideal and although there was a garden party at Honeywood on Wednesday and one at Maxwell on Thursday, a large number were present, the proceeds amounting to about $100. The Honeywood band was present and supplied a generous amount of first class music which was enjoyed by all. The grounds were tastefully decorated with Chinese lanterns, evergreens, flags and red, white and blue bunting. After enjoying the bountiful supper supplied by the ladies a splendid program was provided by local talent. The Rev. Mr. Drinnin made a pleasing chairman. A number of girls dressed in red, white and blue gave a flag drill, also several choruses, which were both patriotic and interesting. The boys did their "bit" by singing in their usual hearty manner a couple of songs which get a lively encore and show what our boys and girls are capable of. The younger girls also contributed largely to the evening's success by giving a motion song, "The Busy Cobbler." Miss E. Winters of Maxwell, a niece of Mrs. Wm. Edwards, was one of the favorites of the evening and sang very nicely. Miss L. English, who is always listened to with pleasure, and Miss I. Zeiggel also gave recitations. The Rev. Mr. Lamb gave a very stirring address and is always both interesting and instructive. Mrs. Heppenstall, Miss Tompkins and Mrs. Cranver deserve credit for the splendid training given the young folks in preparing the program. All joined in singing the National Anthem. As a great deal of baking was left, a 10c lunch was called for Saturday night, when $5 was cleared. The Ladies' Aid wish to thank all who helped to make this one of the best garden parties held by this society.—Bulletin.

We think something should be done towards seeing the government about establishing a trout hatchery in this part. There are four or five never failing spring creeks, any one of which would be ideal for a hatchery. We think it would be a good thing if it was for nothing more than stocking the old Beaver with speckled beauties.
