Walkerton

Sandy Cameron, from Tiverton, who at one time was an expert carpenter and one of the best tradesmen in Bruce, but whose fondness for the flowing bowl is ascribed as the failing that landed him on a free cot in the county shelter, died in the House of Refuge on Saturday morning last and was interred in a pauper's plot in the cemetery here.

Gordon A. Bonter, the Melancthon coal mine promoter, who was to have appeared before Judge Klein here on Tuesday last to answer to the charge of using fraudulent methods to induce Mr. and Mrs. Ed. Gibson to purchase coal mine stock, was conspicuous by his absence when called upon at the court here on Tuesday. When the charge was laid last March, Bonter asked for six months' time in which to raise the cash and make restitution to the Gibsons, who claimed to have been victimized by him out of $200, and the prisoner also seemed solicitous about the claims of some other of his unfortunate patrons here and held out a sort of hope that when he returned in six months he would bring them cheer and comfort. They were all on hand Tuesday looking for the promoter with the anxiety of children watching for Santa Claus. But dreams of Bonter and his satchel of cash evaporated, for the present at least, when Lawyer Klein on behalf of the accused apprised the court that his client had got as far as Toronto on his way here, but had been suddenly recalled to New York on business, and couldn't, as it were, make the grade now. Mr. Klein stated that Bonter wanted another extension of three months' time and asked that the trial be adjourned to that date, but the court proceeded to estreat Bonter's bail of $1000, which means that his financial difficulties will be probably further increased by making him liable for that sum. His coal mine victims are no doubt waiting for the next coming of Bonter with the eagerness of churchmen waiting for the millenium.—Herald and Times.

Seed, Grain and Potatoes

By instructions of the Hon. Minister of Agriculture a distribution of superior sorts of grain and potatoes will be made during the coming winter and spring to Canadian farmers. The samples for general distribution will consist of spring wheat (about 5 pounds), white oat (about 4 pounds), barley (about 5 pounds), and field peas (about 5 pounds). These will be sent out from Ottawa. A distribution of potatoes in samples of about 3 pounds will be carried on from several of the experimental farms; the central farm at Ottawa supplying only the provinces of Ontario and Quebec. All samples will be sent free by mail.

Only one sample of grain and one of potatoes can be sent to each farm. As the supply of seed is limited, farmers are advised to apply early. Requests received after the end of December will probably be too late.

Anyone desiring a sample should write (post free) to the Dominion Cerealist, Experimental Farm, Ottawa, for an application blank.

Bad Motor Accident

The Mt. Forest Confederate says: A very serious auto accident took place about six o'clock Sunday morning near Mr. Thos. Cantlon's gate about a half a mile this side of Kenilworth. Mr. John Mc Donald, Egremont and Auther townline started from Buffalo on Saturday night on a visit to his father, who was severely injured several weeks ago by a fall. He was accompanied by Mr. and Mrs Knab and Miss Annie Gilstaff, a friend of Mrs. Knab, Mr. Knab bein chauffeur. They motored all night, intending to reach their destination by 7 o'clock. At the time of the mishap Mr. Mc Donald was driving and appears to have been going at a pretty fast rate down the hill at this place, which had just been macadamized by the county roadmakers, when the big 48 horsepower car suddenly swerved and turned twice over, stopping right side up with the hind wheels in the soft mud of the ditch. The occupants of the car were in a pitable plight. Mr. Thos. Cantlon heard cries and rendered what assistance he could, but it was not until the members of the Sacred Heart Church, who were at early mass, were returning homewards, that much could be done in the way of securing help. The sufferers were made as comfortable as possible and doctors and relatives were sent for. Mr. Mc Donald was most seriously injured. His hip bone was broken from the spine and he was otherwise badly smashed internally and externally. He was removed to Mr. John Park's residence, where he still lies. There was at first but slight hope of his recovery, but his prospects have greatly improved. Mrs. Knab was very severely injured in the back and otherwise. Miss Gilstaff had two teeth knocked out and her face was badly cut and she was otherwise bruised. Both ladies were taken to the Strathcona Hospital, but Miss Gilstaff was able to go home on Tuesday accompanied by Mr. Knab who was shaken up, but was able to take the car back to Buffalo on Sunday evening. On Monday Mrs. McDonald and Messrs. Ed. and Fred. McDonald, uncle and brother of the injured man, came from Buffalo. The wind shield and some of the upper parts of the machine were broken.

Some Walker

A hundred to fifty was the bet made by Mr. F. G. Muxlow, druggist, of Meaford, that he could walk to Owen Sound and return in fourteen hours and yesterday he accomplished the feat with three hours and forty-five minutes to the good. The bet was with a Mr. R. Randall, fellow citizen of the lake-side town, and Mr. Muxlow left the Paul House at 7.05 yesterday morning and arrived at the Paterson House here at 12.40. After lunch he left on the return tramp at 1.15 and reached Meaford at 6.55, thus making the first half of the trip in four hours and thirty-five minutes, and the second in five hours and forty minutes, the total being just under twelve hours. Mr. Randall, who followed in an auto, was accompanied by Messrs. R. Patterson, E. C. Stephens. The walk was the occasion of considerable interest, not only in Meaford, but along the route between the two towns. Practically nothing, however, was heard of it in Owen Sound only a few being aware of the stunt being pulled off. Dr. Drummond, the stake-holder, handed over the fifty "bones" to Mr. Muxlow.

Mt. Forest automobile owners have organized a motor club in affiliation with the Ontario Mortor League. The organization started off with a membership of twenty.

The three-year-old daughter of W. A. Donaldson, of Mono, fell eighteen feet from the mow to the barn floor and escaped with severely sprained wrists and a bad cut over one eye.

Wm Webb, a young english lad, who for the past eight years has made his home with Robt. Shaw at Rosemont met with instant death by being run over by a train at Camp Borden on Sunday last. Details regarding the fatality are meager, but report has it that young Webb, who was about 16 years of age, along with some other lads from the same locality, had spent the day at Borden Camp and were on there return journey to Alliston, from which place they intended to drive to their homes at Rosemont. The accident happened at Ypres. Webb attempted to catch one of the first of the numerous moving coaches, missed his step, and fell under the wheels. Several coaches passed over his body before the train was brought to a stop When picked up he was cut in two at the waist and badly mangled. His remains were placed on the train and taken to Alliston.—Free Press.

Orillia Packet (Conservative):—Now that the South-west Toronto election is over, the Hon. I. B. Lucas and his colleagues had better take their ears off the ground. It is anything but a dignified attitude for a Minister of the Crown.
