Capital—£1,000,000 Sterling.

No. 1 PRINCE'S STREET, BANK, LONDON.

Empowered by Special Act of Parliament, 4th Vict. Cap. 9.

ASSURANCES PAYABLE DURING LIFE.

TABLES have been constructed for the use of persons who may be desirous of effecting a Life Assurance for the benefit of their families, in the event of premature death, for the largest possible amount which their present means will afford; and at the same time secure the advantage of having the sum assured made payable to themselves in the event of a prolonged life. The Tables show the Annual Premium required for an assurance of £100 or more, payable to the Assurer himself upon his attaining the age of Fifty, Fifty-Five, Sixty, or Sixty-five, or to his representatives at his death, if that event should happen previously.

Every description of Life Assurance transacted.

Detailed Prospectuses, and every requisite information as to the mode of effecting assurance, may be obtained on application to

The Church Union.

THIS paper has been recently enlarged to mammoth proportions. IT IS THE LARGEST RELIGIOUS PAPER IN THE WORLD. Is the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered,—without qualification or correction by him. It advocates universal suffrage; a union of christians at the polls; and the rights of labor. It has the best Agricultural Department of any paper in the world; publishes stories for the family, and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the freest organ of thought in the world.

Such a paper, offering premiums, of Sewing Machines, Dictionaries, Appleton's Cyclopedia, Pianos, Organs for Churches, etc., makes one of the best papers for canvassers in the world.

Every Congregation may obtain a communion Service, an Organ, a Melodian, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers.

Send for a copy, enclosing 10 cents, to HENRY E. CHILD, 41 Park Row, New York.

HARPER'S BAZAR.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight, and occasionally an elegant Colored Fashion Plate.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calender paper, and is published weekly.

CRITICAL NOTICES OF THE PRESS.

Harper's Bazar contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress, and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and, it has, besides, good stories and literary matter that will interest. Considering that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its contents have filled the demand.—New York Evening Post.

Whether we consider its claims as based upon the elegance and superiority of the paper, its typographical appearance, the taste and judgment displayed in the engravings, or the literary contributions contained in its pages, we unhesitatingly pronounce it to be superior in each and every particular to any other similar publication here or abroad.—Philadelphia Local Intelligencer.

We know of no other English or American journal of fashion that can pretend to approach it in completeness and variety.—New York Times.

To dress according to Harper's Bazar will be the aim and ambition of the women of America.—Boston Transcript.

HIGH ENDORSEMENT FROM THE MEDICAL COLLEGE OF PRUSSIA.

DR. RADWAY

Is in receipt of an important official document signed by the PROFESSORS OF THE MEDICAL COLLEGE OF BRESLAU, PRUSSIA,

Embodying the result of an analysis of

RADWAY'S REGULATING PILLS,

Instituted for the satisfaction of the Prussian Government and people. It appears that the great popularity of the pills throughout Germany, as an aperient, antibilious and alterative medicine, had provoked the malice of the apothecaries, who caused a report to be circulated that the ingredients were poisonous. Therefore, a scientific inquisition into their nature and properties was ordered, the issues of which was a most triumphant vindication of the sanitary values of the Pills.

The Faculty of the College state in their report that *after a careful and minute examination*, they have the honor to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favourably upon the nervous system," &c., &c. They state, further, that the injurious rumours set afloat by the Prussian apothecaries originated "in a mean spirit of trade jealousy, excited by the great celebrity attained by the Pills within a very brief period."

Signed in behalf of the College,

DR. HEISE, First assistant. DR. PHIL THEOBALD WERNER, Director of the Polytechnic Bureau.

DR. RADWAY'S Pills are sold by Druggists and Country Merchants everywhere. Principal Depot for the New Dominion of Canada, 439 St. Paul, corner of St Francois Xavier street, Montreal, P. Q., D. C.

SARSAPARILLIAN
IS THE CRYSTALLINE PRINCIPLE OF

Sarsaparilla wherein all the Curative properties of the root reside—all other parts of the root are inert and useless.—This important Curative Agent is, by Dr. Radway's new process, extracted from the root, and enters largely into the Composition of

Dr. Radway's Sarsaparillian—Resolvent.

DOSE for all ordinary Skin Diseases, ONE TEA SPOONFUL. Chronic Diseases—Old Sores, Ulcers, and Eruptions; Diseases of the Glands, Nose, Eyes, Mouth, Ears, Legs, &c., &c.; and Kidney and Bladder Complaints, TWO TEA SPOONSFULS.

Twenty Years Experience and Study in Perfecting a Good Medicine Secures a new source of Happiness to Millions!!

WONDERFUL IMPROVEMENT IN

RADWAY'S READY RELIEF.

Dr. Radway's newly discovered process for securing medicinal extracts (in vacuo), from vegetable substances, adds greatly to the improvement of the Ready Relief.

IN AN INSTANT it stops and cures the most violent PAINS, ACHES, CRAMPS, SPASMS, with electrical velocity.

It removes every Ache, Cramp, Spasm, or Pain that may exist in the INSIDE or OUTSIDE of Man, Woman, or Child.

HOW TO APPLY IT.

Rub the part of the body where pain exists freely with the Ready Relief; soak a flannel in the Relief, and lay it across the parts where there is a pain or inflammation. If the parts are too sensitive for rubbing, bathe the body with the Relief with a sponge. Pain the most excruciating will subside in A FEW MINUTES.

CONGESTION OF THE LUNGS.

Bowels, Kidneys, Bladder,—and in all cases where there is inflammation, the Relief should be applied freely, either with the hand by rubbing, or a sponge by bathing, or by a flannel soaked with Relief, and laid across the painful parts. In a few moments all pain will cease, and the cause that occasions the pain removed.

TAKEN INTERNALLY.

Ten to 20 drops in half tumbler of water, will in five minutes, stop Pain, Cramps, Spasms, Colic and inflammation of the mucous membrane of the internal viscera; this dose repeated every 15 minutes, will cure the worst forms of

Cannda Cholera, Cholera Morbus, Diarrhea, Dysentery, and all painful discharges from the Bowels.

communicating its curative properties through the BLOOD, SWEAT, URINE and other fluids.

One tea spoonful in ordinary cases is a dose—Two tea spoonsful in chronic diseases that have afflicted the patient for years.—It is a powerful Remedy, but is innocent of harm.—It is unlike all preparations of Sarsaparilla.

Therefore, always ask for Dr. Radway's Sarsaparillian—take no other—see that the word Sarsaparillian is on the label of each bottle—and R. R. R. Resolvent.

THE GENII OF HEALTH BOTTLED UP IN

RADWAY'S SARSAPARILLIAN RESOLVENT,

The Properties of its Ingredients.

SARSAPARILLIAN.—The properties of this wonderful ingredient (which is the only true curative principle of Sarsaparilla), cleanses the blood of vitiated humors, and expels from the system the taint of corruption—rapidly removes from the flesh PIMPLES, BLOTCHES, PUSTULES, TETTERS, ACNE, BLACK SPOTS, WORMS AND INSECTS, imparting beautiful clearness to the skin, and the ruddy hue of health and beauty to the complexion. A few doses will make a remarkable change.

LIXIVIÆ FUCI.—This extraordinary agent, associated with SARSAPARILLIAN, cures effectually, with astonishing quickness, all varieties of uncured Syphilitic Ulcers, Nodes, Tumors, Swellings, Fever Sores, Mercurial Sores, Rheumatism and Wandering Pains, and the worst forms of Skin Diseases. As a specialty, it is king of remedies for these complaints, and the association with the other ingredients in the Resolvent places a cure beyond the possibility of a doubt.

PAREIRA BRAVA.—This marvelous agent, like a new sun, shines with such effulgent light upon the medical world as to cast in the shade all other roots supposed to possess similar properties. Extolled by the most eminent practitioners of Europe as a diuretic, diaphoretic, alterative, lithontriptic, superior to Buchu, Digitalis, Juniper, Turpentine, Copaiba, Cubeba, &c., it cures the worst forms of Kidney, Bladder, and Urinary Diseases. Its effects in Gravel, Stone in the Bladder, Suppression or Retention of Urine, Diabetes, Chronic Catarrh, Tumours, Inflammation of the Bladder, it relieves almost instantly; and in cases where catheters have been used it will cure. It causes a quick discharge of Urine. Its association with Fuci-Sarsaparillian, and other ingredients, restores Functional harmony to the secreting vessels of the Kidneys, and secures the secretion of the proper constituents of urine, from the blood. Persons whose urine is thick, cloudy, morbid, turbid, depositing brick dust, albumen, and other deposits, will after a few doses, witness the disappearance of these signs of nerve, and their water changed to a clear amber and healthy color. Bear in mind that the Resolvent is the only remedy that contains Sarsaparillian and the pure Pareira Brava.

NEWLY DISCOVERED ROOTS.—The properties of these roots excite a powerful action on the skin, augmenting the action of the excreting orifices and vessels, to expel retained excrementitious humours that, by irritating the skin, cause sores, pimples, spots, &c. These, combined with other agents, secure a quick expulsion of all humors from the system.

DR. RADWAY'S
SARSAPARILLIAN
RESOLVENT.

By a new process recently discovered by Dr. Radway, for obtaining the active properties from vegetable substances.

The ordinary Sarsaparilla decoctions and Syrups are mere washes compared with the Sarsaparillian of the Resolvent. It is a well-known fact that Sarsaparilla as ordinarily prepared either as officinally or as a proprietary remedy, never possessed the confidence of medical men, and all the reputation it enjoyed was deemed by well informed Chemists, Physicians, and medical writers to be due to other remedial agents associated with it.

The true curative virtues of Sarsaparilla for 300 years has laid hidden in the Crystalline principle of the Root. Under Dr. RADWAY'S *New Process*, SARSAPARILLIAN is secured and brought to light, and associated with other ingredients, it fulfils the most extravagant expectations and views of men. One ounce of Dr. RADWAY'S SARSAPARILLIAN contains more of the curative principle than ten pounds of the extracts from the crude roots, as prepared officinally or in the popular advertised Sarsaparillas.

"IN UNION THERE IS STRENGTH."

The uniting of ingredients so as to secure perfect harmony, and contribute an assisting power to each other in their several properties of cure, fulfils one of the most important aims of the chemist. In the composition of Dr. RADWAY'S SARSAPARILLIAN RESOLVENT this important principle is most successfully accomplished.

Twenty years ago, this great remedy was first introduced as a medical wonder, in curing all Constitutional, Scrofulous, Ulcerated and Eruptive Diseases.

Its power over Skin Diseases, Ulcers, Tumors, Glandular Swellings, Scrofula, Consumption, Bronchial Affections, Nights Sweats, and its wonderful efficacy in curing Leucherrea and other weakening discharges in ladies. Its miraculous agency in changing a sickly, discolored, sallow, rough, spotted skin, to a clear and beautiful appearance inspired the faith and confidence of the medical profession as well as millions of the people who have derived such important benefit from its use.

Twenty years more of hard, patient labor and study, in new fields of science, seeking to improve the process of obtaining the active properties of the substances used in this great remedy, were at last rewarded with success beyond our most extravagant hopes, for in this remedy, Dr. RAWAY'S SARSAPARILLIAN RESOLVENT, new life is restored to millions who are now dying, if they will use it.

DISEASES THAT THREATEN DEATH,

Consumption, of the Lungs, and Kidneys—wasting diseases, where there is a constant waste and drain of the fluids of the system—are now within the curative range of this great and good remedy—all of which it cures through the only natural channel of
