Fred Chislett, freight agent at the C.P.R. depot here for a number of years, quit the company's services on Saturday evening last and left for his home in Flesherton. He will leave shortly for Winnipeg, Man., where he has secured a lucrative position.—Shelburne Free Press.

At Listowel on the 31st ult., a very quiet wedding was solemnized at 12.30 p.m. at the home of Mr. and Mrs. John G. Karges, when their daughter, Laura, was united in marriage to Mr. Frederick Henry Chislett, of Shelburne, Rev. H. H. Liebold of the Evangetical church, officiating. Mr. and Mrs. Chislett left on the 4.20 train for Toronto.

On the 10th inst., Mr. Stephen Robt. Brown passed away to the great beyond. His death took place at Winnipeg, Man., where he has resided for upwards of 20 yrs. He was a tanner by trade and worked for some time with Griffith and Damude at Flesherton. He leaves a widow, who is a sister of the postmaster at Ceylon, Ont., also three sons and one daughter. He was a member of the Baptist church.

Mr. Newton Bannon of the Toronto Line, met with a serious and unusual accident on Thursday of last week. While milking a cow the animal became frightened and bolted, knocking Mr. Bannon over. While on the ground several other animals ran over him and one struck him in the face with its hoof, breaking the cheek bone in three places. He was taken to Owen Sound hospital, where, with considerable difficulty, the bone was set, and the patient is recovering.

Dr. Lane of Priceville, met with a peculiar accident recently. While driving his car a dog appeared suddenly on the scene. One wheel struck the dog and whipped the axle around with painful results to both dog and man. By the sudden whirl of the steering wheel the Dr's wrist was broken, necessitating a trip to Toronto and the application of the X ray to get the bones in place. We did not learn how many broken bones the dog had, but we venture to say his bark was badly cracked when the accident occurred.

The Liberal executive of South Grey met here on Wednesday of last week and decided to hold a convention for the riding in Durham on Oct. 16 next. Possible candidates were discussed, but no definite conclusions arrived at.

Rev. Mr. Dudgeon returned from Toronto on Saturday last with his little invalid daughter, and occupied his own pulpit on Sunday. The little girl is somewhat improved physically, but will have to take more treatment.

Monday evening was social evening in the Young People's Society of the Methodist church when it took the form of a reception to the high school students, a large number of whom were present. A very enjoyable evening was spent with music, games, charades, etc.

Quite a nice little joke was played on Magistrate McMullen Monday night. While His Worship was sitting in judgment on a theft case at Kimberley, another thief outside helped himself to whip and shaft strap of his buggy. A liberal reward for the return of these articles will be given by His Honor.

Don't forget Friday, October 6, 1916, on which will be held a joint Field Day between Flesherton and Markdale high schoolsat Flesherton agricultural grounds. Admission 10c and upwards, pupils free. A concert will be given in the evening in the high school assembly hall. Silver collection, pupils free.

Mr. W. G. Dick of Bolton and Mr. Wolsey of Petrolea, who run oil well drilling outfits, were in town Monday examining into the Karsteadt oil well proposition with a view to securing a contract to drill. It is probable that Mr. Karsteadt will let a contract to these gentlemen to go down a few hundred feet at least in an attempt to solve the mystery.

An Auction Sale of valuable farm stock will be held on Friday, Sept. 29, 1916, on lot 10, con. 14, Osprey, known as the Barber farm, the property of William Hendry. The following seasons for game are set forth in the statutes passed last session by the Ontario Legislature, on the recommendation of the Fish and Game Commission: Woodcock, open season from Oct. 15 to Nov. 15; partridge, closed season until Oct. 15, 1918; ducks, snipe and plover, open season Sept. 15 to Dec. 31; hares may be taken by any means between Oct. 15 and Nov. 15, and between Dec. 23 and Jan. 2, and may be taken by any other means than shooting at any time; cotton tails may be taken, killed or destroyed in any manner by the owner, occupant or lessee of any lands upon which they cause damage; black and grey squirrels, closed season for three years.

An exciting fire occurred in town shortly after midnight on Saturday, when a stable occupied by Mr. Chapman, undertaker, and three other adjoining stables were consumed, three owned by W. A. Armstrong and the other occupied by Frank Duncan. The fire is said to have started in Mr. Chapman's stable from some unknown cause. Two hearses, a wagon and a number of hens were burned. Mr. Armstrong's stable was used as a garage, but his auto was removed just in time, as was also a quantity of grain, but Wes. Armstrong lost a bicycle in the conflagration. Citizens worked heroically to save surrounding residences and succeeded in confining the fire to the four frame structures mentioned. The fire was a hot one. Two of Mr. Armstrong's stables were insured for $400, the other was uninsured. The contents of Mr. Chapman's stable were insured for $850, which will not nearly cover the loss.

No partridge hunting. Owing to the unfavorable nesting season in 1915, it was thought advisable to give these birds some extra protection, and a close season for two years has been put on this species of game by the Ontario Government.

Theft by Wholesale

There was a hungry bunch around the construction camp of the Hydro Electric on Sunday morning last. During the night thieves had entered the commissariat and stripped it clean. The construction gang occupy tents at Kirkville and employ a cook to prepare and serve meals. Alongside the cook's tent is one for provisions. During Saturday night or early Sunday morning, thieves carried off everything in these tents. Here is the list: 75 lbs. of flour, 1 case canned peas, 1 sack of potatoes, 1 carton of coffee, 55 lbs. (tub) of butter, 1 sack of sugar, several rolls of bacon, 3 five pound pails of jam, 1 case canned corn, tobacco, cigarettes, etc. How anyone could remove this quantity of stuff, with the men sleeping in adjoining tents, without discovery, is a mystery, as a good sized dray would be required to move the stuff. The camp is situated at Kirkville, near the old mill. Chief of Police Ross is working on the case, and hopes to apprehend the thieves.—Collingwood Enterprise.

Edith Cavell Day

Hon. G. Howard Ferguson, acting Minister of Education, has appointed Tuesday October 3, as "Edith Cavell Day" in the public, separate and high schools of Ontario. In a signed letter to teachers and pupils in provincial schools, made public by Dr. A. H. U. Colquhoun, Deputy Minister of Education the Minister states that it is proposed to erect in Ontario a memorial statue to the heroic martyred nurse, and takes "much pleasure in recommending to school boards and teachers the desirability of permitting the merits and claims of this worthy undertaking to be placed before the pupils in oder that the young people of Ontario may take such part and lend such aid as the school authorities and their parents consider appropriate."

For this purpose the day has been set apart for the consideration of the life and death of the martyred heroine in the schools of Ontario. "It is believed," says the Minister in his letter, "that the children will be glad to subscribe, and the teachers are requested to point out that no sum is too small from each child."
