MARKDALE, Ontario

"Hitler's not going to teach my children!"

"I've read how Hitler starts training his killers when they're toddlers. So I reckon it's up to me and every other Canadian mother to train our children to realize that they've got to pay for their freedom!"

"That's why I see to it that all my children buy War Savings Stamps *every week*. I tell them what freedom means—what the grown-ups are fighting for—that it's for them! So they've got to give up something too—and the money—$5.00 back for every $4.00 saved now—will come in mighty handy—when they start out on their own!"

Buy War Savings Stamps from banks, post offices, druggists, grocers and other retail stores.
