Too much cannot be said as to their SUPERIORITY over the ordinary glasses worn. There is no glimmering, wavering of the sight, dizziness, or other unpleasant sensation, but on the contrary, from the peculiar construction of the Lenses, they are soothing and pleasant, causing a feeling of relief to the wearer, and PRODUCING A CLEAR and DISTINCT VISION, as in the natural healthy sight. They are the only Spectacles that

"STOP! Where are you going?" "I am going to BRAND'S CABINET SHOP. I am told he received a large quantity of New Styles in Furniture last week, and you know our Mary is going to be married soon, and I want to secure some of the best." "Sure you are not going to buy that grand Bedstead and Drawing Room Sett that I saw there on Saturday last." "Well, I'll see. I know he sells cheap—that's the reason I am going. I am sure I can suit myself in any style or price."
The above is correct.
G. BRAND, who keeps a large Cabinet Shop on King Street, next to the City Book Store, having received a large supply of the Newest Styles in Furniture, is now prepared to furnish the Poor as well as the Rich with any kind of Furniture they may require, consisting in part as follows:

Tonico Reale,
DEL DOTTOR F. P. VERRI,
Professor of Chemistry in the University of Pavia, ITALY.
THIS celebrated Preparation—for which a Certificate of Merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. GIANELLI obtained the Recipe and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1865—is, without exception, the most Genuine, Salubrious and Agreeable TONIC ever introduced to public notice either in Europe or America.
For seventeen years it has, in Italy, been a universal favourite among the elite of Society, being generally served in the Drawing Room immediately before Dinner, in preference to Vermouth.
The ingredients of its composition have been imparted to the leading Physicians of Montreal, and have received their unqualified approval on every account.
The Proprietor has no idea of parading or puffing it before the public, but merely asks a sound and unprejudiced trial.
Kept by the principal Wine Merchants Druggists and Grocers in Canada.
Prepared and sold wholesale by the Proprietor,

PIANO FORTES!
John Breden, Jr.,
MANUFACTURER.
The only Purchaser and Proprietor of John C Fox's Patents,
At the original and principal Factory,
Corner Princess & Ontario Sts.,
KINGSTON, ONT.
THE reputation of 1868 Pianos is fully established and their qualities appreciated throughout the Province, and still further improvements have been introduced in the action which renders them unparalleled for BRILLIANCY AND EQUALITY OF TONE, ELASTICITY AND INSTANTANEOUS REPETITION OF TOUCH, which last is of much importance in the performance of rapid passages. In addition to these the Aigraffe system has been introduced, extending throughout the Scale.
Another great improvement in the action of these Pianos is the bushing of all pivot bearings, which renders the action perfectly noiseless after being in use for years.
The public and intending purchasers are respectfully invited to visit the Factory and inspect the instruments, which will bear the examination and give satisfaction to the most critical judges.
This Manufactory possesses the following advantages:—THE EXCLUSIVE USE OF Fox's IRON-CLAD SOUNDING BOARD, the adoption of every known, and the introduction of many original improvements, and first-class workmen.
Each Piano is guaranteed by a written warranty, and references can be given to parties throughout the Province who have been purchasers.
