HARDWARE FLESHERTON

Don't be a CUPBOARD QUISLING!

"Cupboard Quislings"! Is that too hard a name for people who selfishly lay in unnecessary stocks of clothes or food, or other goods for fear of shortages?

No! The name is not too hard, even though it may be earned through thoughtlessness. For in reality they are doing, in a petty, mean way, what the Quisling does in the open.

Anyone who buys more than is necessary for current needs—

Is breaking his country's law for personal advantage.

Is betraying his loyal neighbours and those who are not so well off as he.

Is, in effect, depriving our fighting men of the munitions and supplies they must have to defend us.

Is hindering our war effort and helping our enemies.

Loyal citizens avoid putting unnecessary and abnormal strains on our factories. In time of war, loyal citizens do not spend one dollar more on civilian goods than is absolutely necessary for current needs.

The law provides for fines up to $5,000 and imprisonment up to two years for hoarding; and hoarding is just another word for unnecessary selfish buying.

In cases where it is advisable for you to buy in advance of your immediate requirements — such as your next season's coal supply — you will be encouraged to do so by direct statement from responsible officials.

COST OF LIVING BONUS

The Dominion Bureau of Statistics has found that the cost of living index number for April 1, 1942, of 115.9 [adjusted index 115] has not risen by one whole point or more over the index number for October 1, 1941, of 115.5 [adjusted index 114.6]. Accordingly, the National War Labour Board, pursuant to the provisions of Section 12 of Order in Council P. (a) There shall be no change in the amount or percentage of cost of living bonuses presently being paid;

(b) An employer who has not been paying cost of living bonuses may not begin to pay such bonuses.
