Royal Italian Bitters.
OR
Tonico Reale,
DEL DOTTOR F. P. VERRI,
Professor of Chemistry in the University of PADUA, ITALY.
THIS celebrated Preparation—for which a Certificate of Merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. GIANELLI obtained the Recipe and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1868—is, without exception, the most Genuine, Salubrious and Agreeable TONIC ever introduced to public notice either in Europe or America.
For seventeen years it has, in Italy, been a universal favourite among the elite of Society, being generally served in the Drawing-Room immediately before Dinner, in preference to Vermouth.
The ingredients of its composition have been imparted to the leading Physicians of Montreal, and have received their unqualified approval on every account.
The Proprietor has no idea of parading or puffing it before the public, but merely asks a sound and unprejudiced trial.
Kept by the principal Wine Merchants Druggists and Grocers in Canada.
Prepared and sold wholesale by the Proprietor,
A. M. F. GIANELLI,
