There is a good opening in this office for an apprentice to learn the printing business—a good chance for a smart outh.

Miss Elizabeth Black, who had been housekeeper for Mr. Wm. Irwin of Durham for many years, died last week at the age of 80 and was interred in Mr. Irwin's family plot here on Friday last.

Rev. Mr. and and Mrs. P. Tiller of Maxwell, were honored by the congregation on Tues., June 26 when they were presented with a handsome purse before leving for their new field of labour at Woodford.

At County Council last week Mr. R. Wright was appointed public school inspector for South Grey in place of N. W. Campbell, deceased. Half a dozen candidates addressed the council, but only the candidates narrowing down to three--Mr. Preston of Markdale who got six votes, T. G. Smith of Bentinck 18 votes and R. Wright 22 votes. We tender hearty congratulations to "Bob," whom we verily believe to be the right man in the right place.

When in Toronto on Monday The Advance man saw a sight that has probably never before been seen on such a scale, and possibly never seen short of the war torn battlefields of Europe. Twelve aeroplanes in one squadron circled over the city. They were up very high, some even penetrating the clouds and passing out of sight. It was a vision long to be remembered.

Grey County Council in session last week at Owen Sound adopted the good roads scheme and also signed up the Reeves in favor of a provincial highway from Toronto to Owen Sound. As it stands this would only mean building of the road from Orangeville to Owen Sound, as from the former place to Toronto the present road could scarcely be improved upon.

Eat Less Meat

How often has it been said by expert dietitians that we ought to eat less meat. Particularly in the summer months we ought to eat less meat. The office boy knows what is the matter when he says the boss has a bad stomach. To-day the meat problem is becoming serious, and those who are familiar with the situation are seeking the co-operation of the public to make the supply go as far as possible. To stop eating meat one must find a substitute, and Ontario is happily placed with having a substitute that costs nothing to produce, which can, when a good home market is developed, be handled at a price far below what is the present cost The substitute is fish. The lakes and rivers of this Province abound in fish of high food value. Only ten per cent. of the annual catch is sold within the Province, the remainder being exported. Fish could be sold in Ontario at a much lower price than what obtains on the market at present if people would only learn to use it more frequently and the dealers were able to handle it in sufficiently large quantities to buy more economically. This important consideration is being placed before the people of the Province by the Organization of Resources Committee. It has a two-fold object: First, to relieve the drain on other food commodities, and, second, to assist in some way to reduce the cost of living. On patriotic grounds, on economic grounds and—particularly during the hot weather—on the ground of health it is good to eat more fish. Think it over to morrow when arranging for dinner.

Sayers—Sornberger

A quiet but pretty wedding was solemnized at the Methodist parsonage, Maxwell, at 2 o'clock on June 13 by the Rev. Tiller, when Sarah Myrtle, eldest daughter of Mr. and Mrs. Alvie Sornberger, was united in the holy bonds of matrimony to Morton Francis Sayers, only son of Mr. and Mrs. Frank Sayers both of Osprey. The bride's brother, Basil, motored the young couple over to Maxwell. The bride was gowned in navy blue taffeta with a white panama hat trimmed with braid and blue flowers. A party was held at the home of the bride's parents the same evening. The bride was the recipient of many handsome and useful presents which showed the esteem in which the young couple are held. Mr. and Mrs. Sayers will reside on "Fairview Farm" near Feversham The best wishes of many friends go with the young couple through life.

Porteous—Young

A very pretty June wedding was solemnized at the home of Mrs. H. Young at 4 o'clock on Wednesday, June 27, when her youngest daughter, Bertie, was united in the holy bonds of matrimony to Mr. L. A. Porteous, eldest son of Mr. and Mrs. John Porteous of Rock Mills. Rev. James Scobie of McIntyre officiated to the strains of the bridal chorus played by Miss Wilma Down. The bride and groom, who were unattended, entered the parlor and took their place beneath a prettily trimmed arch of evergreens and flowers where the solemn ceremony was performed in the presence of about 70 guests, including relatives of the bride and groom. The bride looked charming in a gown of shadow lace over net, while her travelling suit was Belgian blue serge with white panama hat. The many beautiful presents showed the high esteem in which the young couple are held. The groom's gift to the bride was a beautiful jewellery case and to the organist a gold locket and chain. After congratulations and a pleasant social chat the guests entered the dining room where all did ample justice to a dainty wedding dinner. The best wishes of a large circle of friends and acquaintances go with the young couple to their new home at Rock Mills, where they will be at home to their many friends after July 15.
