PATENT IRON-CLAD
PIANO FORTES!
John Breden, Jr.,
MANUFACTURER.
The only Purchaser and Proprietor of John C. Fox's Patents).
At the original and principal Factory,
Corner Princess & Ontario Sts.,
KINGSTON, ONT.

THE reputation of these Pianos is fully established and their qualities appreciated throughout the Province, and all further improvements have been introduced in the action which renders them unparalleled for BRILLIANCY AND EQUALITY OF TONE, ELASTICITY AND INSTANTANEOUS REPETITION OF TOUCH, which last is of much importance in the performance of rapid passages. In addition to these the Aigraffe system has been introduced, extending throughout the Scale.

Another great improvement in the action of these Pianos is the bushing of all pivot bearings, which renders the action perfectly noiseless after being in use for years.

The public and intending purchasers are respectfully invited to visit the Factory and inspect the instruments, which will bear the examination and give satisfaction to the most critical judges.

This Manufactory guarantees the following advantages:—THE EXCLUSIVE USE OF FOX'S IRON-CLAD SOUNDING BOARD, the adoption of every known, and the introduction of many original improvements, and first-class workmen.

Each Piano is guaranteed by a written warranty, and references can be given to parties throughout the Province who have been purchasers.

THIS celebrated Preparation—for which a Certificate of Merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. GIANELLI obtained the Recipe and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1865—is, without exception, the most Genuine, Salubrious and Agreeable TONIC ever introduced to public notice either in Europe or America.
For seventeen years it has, in Italy, been a universal favourite among the elite of Society, being generally served in the Drawing Room immediately before Dinner, in preference to Vermouth.
The ingredients of its composition have been imparted to the leading Physicians of Montreal, and have received their unqualified approval on every account.
The Proprietor has no idea of parading or puffing it before the public, but merely asks a sound and unprejudiced trial.
Kept by the principal Wine Merchants Druggists and Grocers in Canada.

The New Remedy for Worms in Children or Adults.
BARKER'S
WORM SYRUP.
GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the numberless worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.
The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.
The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.
