
Britain's Latest Battleship: 35,000 Ton "Duke of York"

In December, 1941, Britain's Prime Minister, Mr. Winston Churchill, and his party were carried to America for the Washington meeting with President Roosevelt aboard the mighty "Duke of York." Laid down on May 5th, 1939, she is one of five battleships of the "King George V" class. Displacement, 35,000 tons; personnel 1,150; dimensions, 740 feet by 103 feet; carries four aircraft. Her armament consists of ten 14 inch guns, sixteen 5.25 inch guns, four multiple pom-poms and smaller guns. The picture gives a view looking towards the forward gun turret of H.M.S. "Duke of York."

Rock Mills Ladies' Aid

The June meeting was held at the home of Mrs. Ned Croft with a good attendance. Mrs. (Rev.) Keys gave a very interesting missionary talk and invited the ladies to her home for the July meeting, which takes the form of "grandmother's meeting." The missionary verse is to contain a woman Bible character. The meeting will be held July 21st. Lunch committee: Mrs. H. Patton, Mrs. Plantt and Mrs. Earl Croft.

Something of a record is claimed for a sow which gave birth to a litter of 25 pigs on the farm of Louis Liefso, Brant township. Eight of the litter failed to survive the struggle for existence, but the others are reported doing fine.

Dedication of the Shand Dam on the Grand River, near Fergus, is scheduled for Saturday, August 8.

In order to protect the health of war workers and to aid them in combating the ill effects of summer heat, the practice is now wide-spread of equipping munitions plants with salt tablets in handy dispensers near every drinking fountain.

Clear telephone lines for ALL-OUT PRODUCTION

Your telephone is part of a vast *interlocking* system now carrying an abnormal wartime load. Don't let needless delays hold up messages on which production efficiency may depend.

OTHER "WARTIME TELEPHONE TACTICS"

1. BE SURE you have the right number... consult the directory.
2. SPEAK distinctly, directly into the mouthpiece.
3. ANSWER promptly when the bell rings.
4. USE OFF-PEAK hours for Long Distance calls: before 9.30 a.m., 1-2 p.m., 5-7 p.m., after 9 p.m.

These things may look trifling, but on 6,500,000 daily telephone calls, they are very important.
