Friendship

If nobody smiled and nobody cheered,
And nobody helped us along;
If each individual looked after himself
And the good things all went to the strong;
If nobody cared just a little for you
And nobody thought about me;
If we stood all alone in the battle of Life—
What a dreary old world it would be.

Life's sweeter because of the friends we have made
And the things which in common we share.
We want to live on not because of ourselves
But because of the people who care.
It's giving and doing for somebody else—
On that all Life's splendour depends;
And the joy of the world, when it's all added up,
If found in the making of friends.

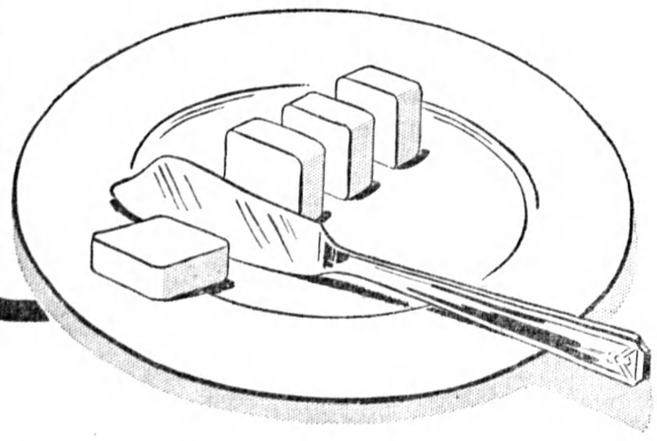
BUTTER is four Pats a Week in Britain



HITLER chose "Guns instead of butter." So the Nazis have guns! We must catch up . . . and beat them.

They tortured people to make them save. We must save willingly.

So it's up to us, each one of us, to economize of our own free will . . . to economize and buy War Savings Stamps so that we can outstrip our enemies with planes and tanks and guns and ships . . . so that our soldiers may be better equipped than the enemy they have to conquer.

Women must help by economizing in the kitchen, by patching and darning, by shopping carefully and cutting out waste. Make up your mind *now* to buy one, two, five or more War Savings Stamps *every week*. You *can*. You *must!*

Buy War Savings Stamps from banks, post offices, telephone offices, department stores, druggists, grocers, tobacconists, book stores and other retail stores.
