TOWN AND THE DAY.

WEDNESDAY MORNING, AUG. 25, 1869.

RIFLE MATCHES.—To-day (we repeat the reminder) the matches of the 14th P. W. O. Rifle Association open at Barrie-field Common ranges. There is good reason to predict a successful meeting.

THE REGATTA.—The Correspondent of the Montreal News, reporting the Kingston Regatta, is informed that the crew who rowed in the four-oared race on Thursday last against the Emms were from the Grand Trunk Station, and not Wolfe Island; that in the single scull Stronger had really good opposition, and that the two Barriefield rowers were close in his wake at the winning buoy, instead of being invisible; and that the Entry Clyde did not win the Soldier's Race, only the third prize.

HON. MR. ROSE.—It is announced that the friends of the Hon. John Rose will give him a banquet before his departure for England. Mr. Rose's residence has been leased from the twentieth of next month for Prince Arthur.

DR. CUMMING'S END OF THE WORLD.—One of the circumstances on which Dr. Cumming founds his prophecy of the early end of the world, according to the London Budget, is the failure of Overend, Gurney & Co., and the swamping of Sir Morton Peto. Dr. Cumming may be quite right in his prophecy so far as the old world and Overend, Gurney & Co. are concerned, but the big haul which Sir Morton Peto (Brassey & Company) and his multitude of foreign plunderers and loafers made out of poor Canada ought to have inspired the prophet Cumming to predict the end of the new world far sooner. If there is one spot warmer than another in Purgatory, Sir Morton Peto and his blood-suckers ought to get it for their outrageous swindle on Canada in the construction of the Grand Trunk.

Families visiting Boston can find no better accommodations than a suite of rooms at the American House, with bath rooms, closets, &c. Close to principal places of business and convenient.

A GRIEVANCE.—Public opinion rightfully asserted will overcome every grievance. Therefore we rely on the following being a noble purpose:

Aug. 23rd, 1869.

Carrie:

On Princess street may be found a dead goose, and to the passer by the smell is offensive in the extreme. To the Daily British Whig:

Please correct the mistake.

POLICE COURT, Tuesday.—Catherin Barton, a vagrant on the tramp from Montreal to Toronto, was the only culprit at the bar this morning. She was very drunk last night, but was suffered to depart on promise of at once leaving the city.

Items of News.

Thirteen new post offices were established and two closed in the Dominion since 1st July.

The annual Convention of the Young Men's Christian Association of America takes place at Hamilton on the 8th of September.

Some of the Lake Superior steamers carry seventy-five barrels of apples and two tons of vegetables while making the trip.

The People's Telegraph Company have opened an office at Montreal, and will begin operation in a day or two.

The iron clad Favorite now on the North American station has been ordered home. The Jalob, 17, is also under orders but is to be replaced by the Danae.

A marriage lately took place at Frankfort on the Main, the parties to which had been betrothed for thirty-six years. The bridegroom, a journeyman tailor, was sixty-eight years of age, and the bride sixty-four.

The Ottawa Field Battery, the Brigade of Garrison Artillery, and five or six infantry battalions in the neighborhood, will be sent into camp at Pembroke under the command of Col. Akworthy, about the middle of September to put in their annual drill.

There seems to be a growing desire to emigrate to the new land of promise in the North West. Not a week passes without one or more parties leaving, and most of them carrying stock and implements. One party left Mitchell last week, for Red River, taking six fine horses, three carriages, wagon, a mower, ploughs, harness, &c., and a large quantity of dry goods.

There was a duel in Cohoes, N. Y., the other day. The seconds kindly drew the balls before the fire, which was manfully delivered. But at the instant of firing one of the seconds threw a pebble against the breast of his principle opponent, who, supposing he was fatally wounded, fainted and fell. The other, seeing the effect of his shot, dropped his weapon and fled to the woods, and has not since been seen.

An Austrian vampyre, the mistress of a Russian at Vienna, was detected in bleeding young girls and drinking their fresh blood, for the purpose of increasing her reduced stock of that vital article. On the discovery of her crime, her attempt to poison herself was frustrated by the police, and she has been committed for trial.

The Marquis of Hertford owns nearly a whole fashionable Boulevard in Paris, besides his magnificent residence in the Rue Taitbaud and the Chateau de Bagatelle. His picture galleries are renowned, and his wealth is fabulous. He is a courtier of the Napoleons, and promised to bequeath his chateau to the Prince Imperial. He is in his seventieth year, and besides his immense property in France possesses large estates in Suffolk and Warwickshire, and a fine London mansion in Berkeley square, and is the patron of six livings.

BOILS.

Like the volcano, Boils give issue to the foul and fiery contents of the deep interior. To remove the cause of such suffering it is only necessary to vitalize the blood by supplying it with its Life Element, Iron.

THE PERUVIAN SYRUP,

(a protected solution of the Protoxide of Iron) will do this effectually, and give strength, vigor and new life to the whole system.

Extract of a Letter from Rev. Richard S. Edes, of Bolton, Mass.

"For years I was a sufferer from Boils, so that my life became wearisome through their frequent and persistent recurrence; finally a carbuncle formed in the small of my back. During its progress large pieces of decomposed flesh were every day or two cut, and the prostration and general disturbance of the system were great. Before I had recovered from this attack two smaller carbuncles broke out higher up, and I was again threatened with a recurrence of the sufferings to which I had so long been subjected. It was at this time that I commenced taking the PERUVIAN SYRUP. I continued taking it until I had used five bottles; since then I have had nothing of the kind. For years I was one of the greatest sufferers. Other medicines gave me partial and temporary relief, but this remarkable remedy, with a kind and intuitive sense, went directly to the root of the evil, and did its work with a thoroughness worthy of its established character."

A 32 page Pamphlet sent free. The genuine has "PERUVIAN SYRUP" blown in the glass.

THE CELEBRATED

Pantescopic Spectacles

ARE constructed in accordance with the philosophy of Nature, in the form of a

CONCAVE-CONVEX ELLIPSIS.

They are admirably adapted to the Organs of Sight, and afford the best artificial help to the human vision ever invented. A peculiar and important feature in these Spectacles is witnessed where people have been obliged to resort to Glasses from physical debility having temporarily affected their vision. In such cases the eye regains its healthy powers, and the Glasses can be laid aside without injury; while other kinds of Spectacles, when once worn, cannot be dispensed with.

THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for

NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intended on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and colour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils it refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.
