VICINITY CHIPS

Is your registration card an odd or an even?

A good time is assured for all who come and celebrate the 1st at Flesherton.

The Advance will probably be a day late next week owing to the holiday.

Miss Mabel Blakely, of Winnipeg, is the guest of relatives here.

Born—On June 12, at Regina, Sask., to Mr. and Mrs. Chas. McTavish, a son.

Miss Elizabeth Little, of Owen Sound, was the guest of her brother, Dr. Little, during the past week.

Freddie Thompson, of Stouffeville, is spending a month here with his cousin, Teddy McDonald.

County Council is in session at Owen Sound this week. Reeves McKenzie and McTavish are attending.

Born—In Flesherton on Friday, 21st inst to Mr. and Mrs. W. Turney of Toronto, a son—Edward Angus.

Miss Mitchell, milliner with F.H.W. Hickling, left Monday for her home at Powassan.

Harold McLean, who has been working in Hamilton, is visiting at his home here this week.

It is estimated that the possible registration of 19 year olds in the Dominion was 56,244.

Mrs. N.H. Durrant and little daughter Dorothy, are visiting the former's parents here for a fortnight.

A baseball match will be played at Eugenia tonight (Wednesday) between Grand Valley and Eugenia. Game called at 6.30 p.m. Admission 15 cts.

Mrs. Vandusen has kindly offered her home for the next Red Cross tea to be held Friday, June 28. All are invited. The amount raised at Mrs. Loucks' tea was $11.52.

Rev. Mr. Quinn and Miss Jennie Roy attended the Baptist convention at Morley last week and report a very successful gathering.

The regular monthly meeting of the W.I. will be held in the high school, Wednesday, July 3, at 2 30. A full attendance is requested as this is an important business meeting.

Miss Aleda Mitchell returned home last week from Whitby Ladies' College to spend the summer holidays. Aleda won a bronze medal for life saving while at the College.

Eleven wrote on the entrance examinations here last week. The large decrease in the number of those writing was possibly due to the number getting their exams by going on the farms.

Red Cross garden party and sports day at Eugenia on Thursday, June 28. There will be two baseball matches and a splendid list of sports. Tea from 5 to 7. Proceeds for comforts for the boys overseas. See bills for all particulars.

Donald McVicar arrived home on Saturday from North Bay Normal school. As he was passing through Toronto he joined the Royal Air Force and is now on the reserve list waiting to be called, as the R.A.F. is filled up.

A dog got next to ten young ducks belonging to Dr. Murray one night last week and next morning ten badly mangled carcases were found in the yard. Unfortunately the dog's was not among them, but if the animal is identified his remains will likely be added to those of the ducks.

The body of the third victim—a Frenchman—in the Brackenbury fatality at Coniston, was found on Friday, June 14, about 25 feet from where Mr. Brackenbury's body was recovered. This was five days after the accident. The body, when found, was in an upright position. As no one saw the accident the cause will never be known. The Frenchman was an expert swimmer and canoe man, and the canoe had a keel attached to give it more stability, but it is supposed a swift under current hitting the keel upset the craft, and the river being swift at this point no swimmer could survive.

Mr. W. E. Southgate, of Seaforth, brother-in law of Mr. George Mitchell of the Standard Bank here, died on Friday night last at the age of 69 years. He leaves one son, W. E., jr., and one daughter, Mrs. R. A. Wilson of New York. Mr. Mitchell attended the funeral, which took place at Toronto on Monday.

A Red Cross concert will be held on the lawn at the home of Mr. Andrew Pallister on Friday, June 28. A good program is being prepared. A baseball match between the Maxwell boys and girls will be played at 7 o'clock. Ice cream and cake will be sold on the grounds. Admission 35 and 15 cts. Program to commence at 8.30.

The W. I. picnic on Thursday afternoon last was a great success, financially and otherwise, the proceeds amounting to $59.25. The baseball game between the Power House and Flesherton resulted in another win for Flesherton, the score being 15 to 13, with Flesherton at bat and no men out when the game ended.

We would draw attention to the large government announcement regarding the men of 19 and 20 years of age, who have been called under the Military Service Act, which appears this week on our last page. The government has decided to leave these men to assist with the harvest under certain conditions which are explained in the advertisement.

Will those who can do so kindly send in any communications for the paper on Monday. Where everything comes in on Tuesday something invariably has to be held over for a week. It is impossible to get everything in type in one day with our limited staff. Frequently something comes in on Tuesday that could just as well have been sent in the previous Friday or Saturday.

Mr. D. McTavish has been busily engaged for some time transporting machinery from this station for the new addition to the power house in the valley. This week he is taking down the big transformers. There are four of these and each one weighs seven and a half tons. There is some work in connection with the transportation of these big affairs, and the wear and tear on vehicles is no small item to be considered in the cost.

W. Moore, the Flesherton 'bus man, has purchased an auto 'bus for hauling passengers and freight from the station. The vehicle was delivered on Wednesday of last week and created much interest. It is a most complete thing in its way. When necessary to haul freight the seats fold up. It can be completely closed in with curtains in stormy weather, and the trip from the station is made in short order. We believe Mr. Moore is the first in this county to use this kind of up to date passenger and freight vehicle to connect with the railway, and we hope it will prove a big time saver and money maker for him. His enterprise is certainly commendable.

Subsequent to the annual election of officers in Prince Arthur Lodge, A F & A M, installation took place at the Lodge on Friday evening last, and the following is the staff for the current year: W M, Wor Bro Thos Henry; I P M, Wor Bro John Wright; S W, Bro A S Muir; J W, Bro Dr W T Little; Chap, Wor Bro J W Bellamy; Treas, Wor Bro Joseph Blackburn; Sec, Rt Wor Bro T A Blakely: S D, Bro T A Fisher; J D, Bro J R Porteous; D of C, Bro C N. Richardson; I G, Bro Peter Muir; S S, Bro W L Wright; J S, Bro O W Phillips. Bros R G Holland and T Clayton were elected auditors and Rt Wor Bro T A Blakely representative to Grand Lodge at Windsor.

Booze Is Costly

Selling booze in the Alliston District, when the law says it is not gentlemanly to do so, is an expensive job, as Wesley Gallagher, who hails from Mulmur, found out the other day.

License Inspector Robinson had Gallaugher up before Magistrates Elliot and Addison charged with selling liquor contrary to the Ontario Temperance Act. It was alleged that Gallaugher had embarked in the business on a wholesale scale and was handling the wet goods in case lots. One man swore that he had purchased a case from the accused The magistrates fined the accused $500 or eight months in jail. It is said Gallaugher, who buys horses and potatoes, was fined $600 at Toronto for a similar offence.

A Loving Tribute

To the late Arnold Monroe Thurston, whs gave his young life for civilization near Ypres, June 26, 1916.

The Advance has received a letter from a dear friend who remembered the anniversary of our sorrow, and enclosing some beautiful lines copied from another source. A portion of the letter accompanying the verse is well worthy of copying, and we take the liberty to use a portion of it:

Markdalo, June 20, 1918.

My Dear Mr. and Mrs. Thurston,—I am enclosing to you a few lines I felt were appropriate for printing in memory of your dear son, Arnold, who fell a noble hero and is not forgotten.

We are having lovely showers, which are all needed. So far everything looks good again. How wonderful nature's power, as year after year old mother earth comes back to its dress of blossom and green carpets. But alas! afar off the land lies upheaved and bespattered, not with rain, but with the blood of our brave young heroes. It is terrible, and yet it must go on. None knows or sees the end.

Sleep, soldier, sleep! The clear notes of the bugle
Call thee no more to the rude battle din.
Bright on thy resting place—grave of the hero—
Bloom the fair flowers of another bright June.
Under the sod which thy life blood has hallowed—
Under the flag you fought bravely to save.
Sleep, soldier, sleep, God watches thy slumber.
A nation pays homage to-day to the brave.

—A FRIEND.

Wm. Barnhouse Dead

A message was received here last week stating that Wm. Barnhouse had died at the home of his son at Edmonton. Mr. Barnhouse was for many years a much respected resident of Flesherton. After removing from Flesherton he was in business in Toronto for some time, but of late years had been living with his sons at Edmonton.

Pilot Saunders Killed

Truly Durham is giving her quota to the cause of liberty, and again it falls as a painful duty to report the death of another of her citizens in the person of James Foster Saunders, of the Royal Air Force, who was killed on Monday in an accident at Camp Borden, when he lost control of his airplane, fell to the ground and was killed instantly.

According to the report of an officer who witnessed the accident, he was doing a difficult air evolution, one he did many times previously with no apparent danger. He was up about 700 feet and seemingly lost control of his machine for a few seconds and, being so low, had no time to rectify the airplane before it crashed to earth. Death was instantaneous, his neck being broken. Had he been up a thousand feet or more it is believed the accident would not have occurred.—Durham Chronicle.

Anthrax in Peel

Several cases of anthrax have occurred in Peel County. One man named Snyder is dead and a veterinary surgeon is in Toronto hospital suffering with the disease.

Dr. Stirk was called to a farm to make an investigation into the mysterious death of three cattle. While hadling a carcase it is believed that he was infected. Like Mr. Snyder, the disease showed itself first in the arm, and after consulting with Dr. Sharpe, Medical Officer of Health for Brampton, he went to the Toronto hospital. The outcome is still in doubt. His condition is serious.

The inquiry made so far into the death of Snyder pointed to his lands having been flooded in the spring freshets. Water which had passed through an old tannery there, it is thought, came down to the Snyder farm and flooded the grass which was later eaten or laid on by the sheep. In shearing the animals Snyder is thought to have been infected

Another outbreak of the disease is reported from the farm of Josiah Pickering, near Churchville, three miles west of Brampton, where four cows died under unusual circumstances. The owner sent their blood for analysis, which established the fact of the existence of anthrax. The carcases of the animals and the earth where they were buried was ordered burned to destroy the disease.

In view of the lack of farm labor, managers of factories and industries of all kinds should plan to release all men and women they possibly can who are willing to help with the harvest. The agricultural industry is of prime importance to the world today.
