Mrs. J. Little and Miss Elizabeth Little, of Owen Sound, attended the bedside of Dr. Little, last week.

Mr. H. M. Hyland, of Toronto, visited over the week end with his wife and family here.

He who has not helped to finance final Victory, has no secure place in his own esteem—Buy Victory Bonds.

Miss Celia Van Dusen returned to the city after spendlng two months with her mother here.

Miss Maud Boyd returned to her school at Waterdown on Tuesday after spending three weeks at her home here on account of the influenza.

Hallowe'en night passed off very quietly in town, only a few gates being carted off and a can of red paint being used on the business men's windows.

Miss Gwen Quinn took advantage of her enforced absence from high school and is visiting her uncle, Mr. Metcalf, near Redwing.

Mr. W. A. Armstrong had the Victor Record of Sir Thomas White's address to the Canadian public concerning the need of the second Victory Loan.

In a letter to The Advance received rectly, it is learned that Harold McLean a Flesherton boy, had joined the United States navy at Philadelphia and is in training there. He is a son of Mr. A. McLean, of town.

At a joint meeting of the local Boards of Health for Artemesia and Flesherton it was resolved that all churches, schools and other meeting places to remain closed until, in the opinion of the chairman, they should be opened.

Sunday night last was one of the darkest nights that we have ever been out in. Coming home from Proton Station that evening Mr. D. McKillop's buggy locked wheels in the dark with the buggy of another gentleman with the result that each had a bent axle. It was a close shave for both parties.

There are some very important advertisements in this week's Advance dealing with the Victory Loan, pages four and eight; notice to soldiers on harvest leave, page 1 and the employment of men in default under the Military Service Act, on page eight. All persons interested are requested to take notice.

On Sunday of last week Mr. Daniel Young, of town, received a message that his son, Pte. Elmer Russell Young, was dangerously ill in a hospital in England and on Sunday last another telegram arrived announcing the young man's death. He was only 22 years of age and enlisted at Regina last spring, and had been only three months overseas when he was stricken with the pneumonia.

Mr. Chas. Brignell, traveller for Lemon Bros., Owen Sound, died at his home in Owen Sound on Tuesday of last week. He had been sick for about two weeks with influenza and pneumonia. He leaves a wife and two small children. A brother, George, was killed in action recently. Charlie was well liked in Flesherton and much sympathy is extended to Mrs. Brignell and family.

The following attended the funeral of the late Dr. Little at Owen Sound on Sunday:—Messrs C. Bellamy, Thos. Henry, Dr. Ottewell as pallbearers, others were from Owen Sound, C. Richardson, Dr. Murray, Rev. Belfry, T. Clayton, D. McTavish, B. Welton, M. Wilson, T. Blakely, W. L. Wright, Andrew Dunn, brother-in-law of deceased, J. Wright, F. Mathewson and S. McTavish.

Mrs. W. T. Little has been ill for two weeks with influenza followed by pneumonia; we ar pleased to know that she is improving under the care of Dr. Ego, of Markdale.

The remains of the late Pte. Max Bannon arrived on Monday evening. Interment took place the following day from his father's residence, to Flesherton cemetery, service being conducted by his pastor, Rev. A. McVicar. Much regret is felt that the young man was cut down in the very morning of his life.

Dr. Holmes and Mrs. Holmes also little Jean motored as far as Flesherton on Tuesday of last week, the Dr. entraining there and thus joining the Owen Sound Hunt Club, the members of which left Tuesday for their annual fortnight's hunting. Mrs. Holmes and little daughter will visit with the former's parents, Mr. and Mrs. Chislett, Flesherton, for a week or so, going from there to Toronto where a short stay will be made with friends.—Owen Sound Advertiser.

Word was received here last week announcing that Gnr. Wm. Wilcock had gone in a draft of artillery from England to fight the Germans and Bolsheviki in Russia. He has been in a reserve brigade in England since his return overseas from his leave in Canada last spring. It will be another experience for Will to relate when he returns home again, as he had three years of artillery work in France. A brother, Rob, who has been in the garage business in Buffalo, has been drafted in the United States army and is at present training at one of the many camps Uncle Sam possesses.

A little two year old son of Mr. W. H. Williamson, South Line, Artemesia, met with an accident Tuesday of last week which might easily have proved fatal. The little fellow was helping his mother to pick turnips because "he was sorry they were so cold," when it is thought his foot slipped and he fell in front of the wheel which passed over his abdomen. Fortunately he fell in a hollow with small hummocks on each side which protected him. He received only a few scratches, upon which his parents are to be congratulated.

Grey $1,005,050 Flesherton $43,050

Canvassers who are selling the Victory Loan are most encouraging in their reports of the reception the new loan is receiving in Grey County. Over $300,000 was raised the first day of the campaign. The first week of the Victory Loan in this County $1,005,050 was raised of which Flesherton gave $37,050 and is well up in the race to gain its objective. $2,850,000 is asked from Grey County, but it is confidently expected that the amount will be larger than that. Up till Tuesday evening the amount given by Flesherton was $43,050

From this district there are a few people, (we are glad to say very few) who have refused absolutely to have a thing to do with the Victory Loan as a resentment over the conscription. To assume such an attitude is utterly unwarranted and unpatriotic and is the worst kind of folly besides being disloyal. The Victory Loan has nothing to do with conscription, with Union Government or any other kind of government. It is simply launched so that Canada can continue the prosecution of the war and for the maintainance of the prosperity of the Dominion in all departments of productive activity.

A Memorable Day

The first anniversary of the commencement of the battle of Passchendaele, when so many of the boys from Grey county were wounded or paid the supreme sacrifice for the protection of their loved ones and country, was remembered on Saturday, October 26. The battle lasted for two full weeks after which many homes in the county were left without one of the loved, but their names will live forever as participants in a battle that will always be remembered as one of the greatest of which the Canadians took their share. Among those from this district the following are known to have laid down their lives:

Pte. Stanley Walters, Kimberley; Pte. Johnston Howard, Feversham; Pte. A. J. Pinkerton, Priceville; Pte. Thos. Mather, Priceville; Pte. J. S. Taylor and Pte. Harold Mitchell, Flesherton.

Capt. W. T. Little, Local M.D., Passes Away

Much regret was expressed when the news flashed round the village early on Saturday morning last that Dr. William Thomas Little had passed away in the hospital in Owen Sound.

For ten days prior to his own illness he had been kept busy day and night attending the sufferers from the "flu." Being in somewhat of a run-down state, from lack of sleep he was in a fit condition to take the influenza and the complications which followed and which resulted in his death.

Dr. Little was born in Maxwell 30 years ago, his parents being Mary Jane Blakeley and Johnston Little. He was a grandson of Mr. William Little of Owen Sound, one of the pioneers of this township.

Dr. Little was educated in the Owen Sound Collegiate, and received his diploma from the College of Medicine, Toronto, in April, 1914. For six months he was house surgeon in the General and Marine Hospital in Owen Sound, and then located in Flesherton in Dec. 1914. Two years later he heard the call of suffering, gave up a promising practice and went to Mesopotamia in the R. A. M. C. with the rank of Captain. Here he contracted enteric fever and when able to be removed was sent to Bombay. After an absence of fourteen months, he returned to Flesherton in April, 1917, and took up his practice again.

He was united in marriage on Aug. 16, 1917, to Miss Dora Morrow of Ingersoll. Much sympathy is felt for the young wife, who is bereft of a kind and loving husband.

Besides his sorrowing widow and parents he leaves two sisters, Misses Elizabeth and Margaret Little, and one brother, Lieut. Herbert Little, who is with the British motor boat patrol, and took part in the famous raid on Zeebrugge. A host of friends also mourn his early death.

The funeral took place on Sunday at 2.30 p. m. to Greenwood Cemetery, Owen Sound. Service at the house was conducted by his pastor, Rev. C. A. Belfry of Flesherton, and at the grave by Rev. Judson Kelly of Westside Methodist Church. This was followed by the beautiful service of the Masonic Order, of which Dr. Little was an honored member, which was conducted by Mr. Thomas Henry.

The floral offerings were beautiful and abundant, among them being a Masonic emblem from the Lodge here.

To the bereaved family—the wife, father and mother, brother and sisters, the Advnce tenders our sincerest sympathy.

Braved Battles Died of "Flu"

It was with deep regret that the news of the death of William Rutledge, which occurred at Lethbridge, Alta., on Sunday, October 27th, was received by the people of this district. He had been sick only a few days with the influenza when he passed peacefully away. He is a son of Mrs. Andrew Rutledge, Ceylon, and spent his boyhood days there. The young man was 35 years of age last August.

The day war was declared Will offered himself for service in defence of the Empire and joined the 10th Batt. of Calgary, Alta. He went overseas that fall and spent the winter months at that memorable spot, Salisbury Plains. He went to France in April 1915 in time for the second battle of Ypres, where he remained for 13 months, when he was wounded in the ankle. He was invalided home on July 12th, 1916, afterwards being discharged. He was working in an elevator at Lethbridge when he took sick with the influenza and died within a few days. The body arrived home on Saturday last and was buried at Flesherton cemetery. A brother, Roy, who has been working at Lethbridge as a train clerk, accompanied the body home. Much sympathy is extended to Mrs. Rutledge and family in the loss of a loving son and brother.
