EFFECTIVE NOW

Prices of TEA, COFFEE AND ORANGES are reduced by law!

This action is taken in line with the Government's declared determination to stabilize living costs on a basis that is fair to all. It is a developing attack on the menace of inflation which arises out of wartime conditions. The prices of tea, coffee and oranges are now lowered by official order. Plans for reduction in the price of milk to the consumer are also under way and will be announced in the near future. The items chosen have been selected because of their important place in the weekly budget of every home in Canada.

TEA and COFFEE Effective now—the retail price of tea is reduced by 10c per pound and the retail price of coffee by 4c per pound below the recent lawful ceiling prices.

The table below indicates how the reduction of 10c per pound applies to less-than-pound packages; and is for purposes of illustration only.

Tea formerly selling by the pound at	$1.00	90c	85c
Must now sell at			
per pound	90c	80c	75c
per 1-2 pound	45c	40c	38c
per 1-4 pound	24c	22c	21c
per 1-8 pound	13c	12c	11c

BULK TEA

The reduction in the maximum retail prices of bulk tea sold in quantities less than a pound should correspond to the reduction in retail prices for the small sizes of packaged tea.

TEA BAGS

Reductions in retail prices of tea packaged in tea bags must correspond to those made on packaged tea.

ORANGES Oranges must be reduced to give consumers the benefit of the reduction in cost to retailers brought about by lower prices for the new crop, by seasonal removal of import duty (effective December 1st, this year) and by the removal of the War Exchange Tax. Oranges should sell at or below the September-October 1941 retail price levels.

BE SURE THAT YOU GET THE FULL BENEFIT OF THESE REDUCTIONS

SPECIAL NOTICE TO RETAILERS:
Retailers will be compensated for any loss on present stocks—in order that these reductions may be enjoyed by the public immediately. Retailers should take inventory of their floor stocks of tea and coffee as of the close of business, Saturday, December 5th. They will shortly receive forms upon which to make their claims for compensation for losses on inventory due to these price reductions.
