Chatsworth 5, Flesherton 4

Flesherton hockey boys have been working under a great handicap this winter is not having any ice to practice on, but still they march bravely on, taking defeats in the best of humor. The game played Friday night last with Chatsworth on the Markdale rink did them great honor, even if defeated by one goal—the score was 4 to 5—when it is known that one of the Flesherton boys had never played hockey before, and another had not had skates on for two years. Added to this the Chatsworth team are a bunch of sluggers and attempted to disable some of the Flesherton boys, while their referee was quite blind to their defects while wide awake and even looking for an excuse to penalize their opponents. Flesherton was ahead until the last period 4 goals to 2, when one of the Flesherton boys was knocked out and during his absence Chatsworth got in three goals. Another Flesherton boy had two teeth knocked out by one of the Choppers from Chatsworth. The said Choppers are welcome to all the honor they get out of a game such as this one.

The line-up for both teams is as follows :—

Flesherton		Chatsworth
C Fisher	Goal	J Dudgeon
F Thurston	Point	Joe Dudgeon
E Muir	C Point	A Brown
J Dow	Rover	W Breese
A Buchanan	Centre	H Walker
G Mitchell	R Wing	L Collins
S McTavish	L Wing	L Sinclair

Referee—Herb Walker, Chatsworth.

Kendall Boyd retired after the first period and Jack Dow succeeded him to the post of Rover.

Flesherton 7, Power House 4

A rather fast game of hockey was staged in Markdale rink on Wednesday evening of last week between the Power House and Flesherton teams in which Flesheston won to the tune of 7-4. Neither team had had any team practice but showed up well in the game. Most of the Power House fellows were taller

Will Build County Roads This Summer

County roads came up for a long discussion at the County Council as the result of a report by the committee, and the full voice of the council was heard. As a result the committee was empowered to purchase $24,000 worth of road making machinery, including tractors, road rollers, crushers, dump wagons, graders and other necessaries and a levy of two mills on the equalized assessment of the county for construction and one mill for maintenance was authorized. The county is assessed at 32,000,000 and this will permit of an expenditure of $96,000 by the county, and as the construction contemplated will be done 'mostly on the provincial county roads on which the province pays 60 per cent., the total expenditure would be nearly $240,000. This would be a good start in making the roads of the county a blessing and a comfort to the inhabitants. The rollers and two complete construction outfits will be put to work as soon as the snow goes and one will work in the north and one in the south. The Meaford road through Sydenham will in all probability be the one that will be built first as it is in a very bad condition. In the south they will probably start at Dundalk and come north on the Toronto and Sydenham road—Sun-Times.

At the County Council last week there were five aspirants for the Wardenship—Messrs McQuaker, Reeve of Owen Sound ; McKenzie, Reeve of Artemesia ; J. T. Miller, Reeve of Euphrasia ; W. H. Sing, Reeve of Meaford ; and Irwin Morrison, Reeve of Osprey. All of these withdrew with the exception of the first two, when the vote stood—McQuaker 26, McKenzie 10.

The appointment of standing committees resulted as follows :

Finance and Assessment—J. A. Lemon.
Roads and Bridges—Mr. Arnott.
County Property—E. Lemon.
Education—Mr. Cameron.
Printing—J. W. Hutchinson.
Communications and Memorials—Mr. McKenzie.
House of Refuge—Mr. Morrison.
County Roads—J. A Boyd, Markdale
Warden's Committee—Mr. Sing.

A Reeve Arrested For Sedition

Is Run Out of Town

Somewhat of a sensation was created in Owen Sound, says the Advertiser, by the arrest of Reeve Joseph Weber of Neustadt Tuesday evening on a warrant issued at the instance of the Department of Justice. The offence with which he is charged is sedition, and five offences are alleged. Mr. Weber did not remain in custody long, being admitted to bail ; and he will appear for hearing before Police Magistrate Creasor on Wednesday February 5 He came to Owen Sound Monday night to attend the meeting of the County Council.

On Wednesday evening Weber was run out of Owen Sound by a number of returned soldiers and a large crowd of civilians. Weber was caught by the crowd on his exit from the theatre and was taken to the hotel to get his belongings. There he was made to kiss the flag and then was escorted, none too gently, along the main street. In response to the many pugnacious demands to prove his loyalty Weber sang three quivering lines of "God Save the King." The returned soldiers then formed a special guard and saw that he got out. Although he wore a big overcoat and carried a valise, Weber was forced to go on the run, and was last seen about 11 o'clock heading northwest.

Killed by Falling Tree

Wednesday last Alfred Noble, of Bentinck, while assisting his brother, Robert, in the bush on the latter's farm, met his death in a painfully tragic manner. They had just completed the felling of a tree and in falling a large branch was broken off and rebounded back, struck Alfred to earth, crushing his chest and breaking his shoulder blades. This was at 2 o'clock ; he died at 3 45 and was conscious most of the time. His wife was sent for and medical aid, but love and skill were powerless, and he passed away at the age of 34, leaving three boys, Ewing, Royce, Wellington and one daughter, Audrey, to a mother's care. The sad event has cast a gloom over the community and has called forth expressions of deep sympathy to all the chief mourners.—Durham Review.

Local and provincial detectives are in search of the thief who got away with $270 extracted from a mail bag in the Cooksville station.

and heavier than the locals and outweighed them considerably. Very few penalties were awarded to either team, but the game was lively from start to finish, and it is said that it was one of the best games that has been played in Markdale rink for some time. The score the first period was 4-1 in favor of Flesherton and in no place in the game did the Power House gain a lead. The second period was 3-3 and the third ended in the victory for Flesherton. On the Flesherton team were a couple of old timers —Roy Piper and Charlie Richardson. Roy had not had his skates on for two years and thay were growing cobwebs, while Charlie hadn't had a stick in his hand for about five years. The line-up is as follows :

A Costly Farm Fire

The barn of Benjamin Goodwin, near Alliston, was recently consumed by fire with a loss of something like $10,000. The barn was an average sized one on a stone foundation. The stock destroyed included 25 head of cattle, most of them above the average in value ; one horse, nineteen sheep and a number of fowl. The pigs were in a pen detached from the barn and were saved. All implements except the binder were burned and all the feed. Besides all this there was anywhere from twelve to eighteen hundred bushels of grain which had not been taken out to market. There was an insurance covering the building, but this will be inadequate to replace it The cause of the fire is unknown.
