It is said that several deer have been captured in the southern part of Artemesia recently, but the captors have not yet been captured. They are poor sports who would kill a deer at this season of the year when even the flesh is not good. The guilty parties should be rounded up.

Mr. Wilbert Chard left on Wednesday February 26th, with a car of settler's effects for Blackwood, Sask. Mr. and Mrs. John Chard are leaving next week for their new home. Mrs. Chard, who has been in the city taking treatment for injuries received two years ago, the result of an accident, is still in very poor health.

On the evening of February 19, the home of Mr. A. N. Brownridge, 4th Line, Osprey, was the scene of a very interesting occasion. There were over 120 friends and neighbors gathered together to give expression to the loss they were about to sustain in the removal of Mr. Brownridge and family to Stayner. As a mark of appreciation and eateem the family was presented with a beautiful Queen Anne pattern silver tea set, glass faced mahogany tray, and a beautiful casserole accompanied with an address. Mr. Brownridge has been superintendent of Maxwell Sunday School for twenty years, during which period the school was never closed nor was the superintendent absent except when necessity would occasionally demand it. Under his leadership the school has become a strong factor in the church. This year the school has purchased two victory bonds for missions as well as giving generous support to the Armenian relief fund. Mr. Brownridge will be much missed in Osprey as a Sunday School and church worker as well as a citizen.

Mrs. Cole Dead

Mrs. F. G. Cole passed away at her home here very suddenly on Sunday morning last in her 86th year. She was born in Devonshire, England, and later moved to Rochester, New York, where she married her now sorrowing husband 60 years ago. Ten years later they moved to Canada, and she has been a resident of Flesherton for about 35 years, coming here from Forest, Ont. Mrs. Cole was a member of the Church of England and was very highly esteemed by all who knew her. For some time she had been weakly but was walking about the house an hour before death called her. She leaves a family of two daughters and two sons--Mrs. Chas. Stewart, Flesherton, Miss Hattie, of Toronto, Myron, of Forest, and Frank of Detroit. The funeral took place to Flesherton cemetery on Tuesday.

Late Rita Osborne

The people of Feversham and vicinity were greatly shocked on Thursday last when a phone message was received from Collingwood stating that Miss Rita Osborne, one of our Feversham young women had passed away to the great beyond. The week before, she had been taken ill with the influenza, which developed into pneumonia, and though all that medical skill and loving care could do was done, she gradually sank and passed peacefully away at noon on Thursday last at the early age of 26 years. The remains were interred in the Buckingham cemetery on Friday. She leaves to mourn her loss her father and three brothers, Harold and Emmerson, of Feversham, and Bert, of D'Arcy, Sask. The sincere sympathy of their many friends is extended to the bereaved family.

A memorial service will be held in the church in Feversham on Sunday morning next, March 9th.

Won Tournament In Chatsworth

The junior hockey team from here plucked up enough courage to travel up to Chatsworth on Thursday of last week to play in the Hockey Tournament there. Four teams were in the competition, namely : Owen Sound Strathconas, Chatsworth, Owen Sound C. I. B. C., and Flesherton.

Chatsworth and the Owen Sound Strathconas played the first game, which resulted in an easy win for the County Town by the score of 4-2.

The next game saw the Owen Sound C. I. B. C. and our locals hook up for a battle. The boys from here played an excellent game and only the work of the Owen Sound goaler kept the score down. The game ended in a win for Flesherton by 6-4.

The third and final game was between Flesherton and the Strathconas. Although our boys had only a 15 minute rest they went out as game as ever. Owen Sound scored one goal in the first period on a lucky rolling shot. There was no scoring in the second period although our boys continually bombarded their opponents nets, but the Owen Sound goal keeper was a regular stone wall. The locals went out for the final period determined to win and in five minutes notched the tieing goal. Both teams were now on their toes and real fast and clean hockey resulted in our locals bulging the nets for the winning tally, the game ending with Flesherton in the lead by 2-1.

Doc. Douglas, of Dental fame, kept the games clean, and gave entire salisfaction to all as referee.

The best of friendship prevailed among the players, but owing to a mix up in regard to prizes several of the Chatsworth committee are rightfully not thought well of by our boys here. It is about as little as the committee can do to come through and square things.

Missionary's Death Is Now Denied

The Advance is extremely pleased to deny the announcement that Rev. S. D. Gaudin of Cross Lake, Man., had succumbed to the influenza, as reported in these columns two weeks ago.

The report of the death was first published in the Winnipeg papers of Feb. 8 and in the Toronto papers of Feb. 10. Letters have since been received from Mr. Gaudin by relatives dated at Cross Lake Feb. 8 stating that the family was well, but that 130 had died of the plague at that one point alone. The Indians of the North have suffered very severely by the epidemic. Winnipeg correspondence to The Guardian last week also referred to the unfortunate error announcing the death of Rev. Mr. Gaudin in the Winnipeg papers. The item, which was sent out by the Associated Press, caused a great deal of needless sorrow and anxiety to relatives and friends in both the United States and Canada.

Horse Fired Gun

While hunting with his brother last Saturday Mr. Alvin Calahan had the misfortune to shoot himself in the hand. He and his brother were eating lunch at the side of the road and tried to stop a runaway horse, which had gotten away from its owner, Mr. Henry Norton, who had been thrown from the cutter. In the excitement Alvin put out his gun. The horse's head struck the gun, breaking the stock and discharging the load. The pellets from the shell lodged in his hand.—Chatsworth News.

How Girls are Ruined

The mother who allows a 16 year-old daughter to float around the township in a top buggy until 2 a m. with a counterfeit sport of weak paws and weaker morals, merely opens the front door to grief and disgrace. If you don't know what company your daughter keeps, or what time of night she turns in, your roar when gossips get busy will sound about as pathetic as the wheeze of a Jewsharp. The girl who insists on spooning with everybody in the corporation limits ought to be taken back to the wood shed and relieved of her overflow of affection with a No. 11 slipper laid carelessly across the hiplets. We had sooner see a girl kiss a blind goat through a barbed wire fence than have her change partners six nights a week in the front parlor with the lights turned low. It is harder to marry off a girl who has been pawed over by every boy in the community than it is to fatten sheep on pineapple ice. You can't gold brick a sharp eyed suitor with second hand goods any more than you can fit a bathing robe on a goat.—Bruce Herald and Times.

Standard Bank Of Canada

We call the attention of our readers to the report and statement of the Standard Bank of Canada which we publish in another column, and which was submitted to the shareholders at the 44th annual meeting held in Toronto on the 26th of February.

The results of the year's business ending January 31st, 1918, show that the earnings exceeded those of last year and enabled the directors to pay the usual quarterly dividends to the stockholders, and after providing for liberal subscriptions to Patriotic Funds, Officer's Pension Fund, Provincial Taxes, etc., and the reduction of Bank Premises by $100,000 to carry forward the substantial amount of $227,326.90 to the credit of Profit and Loss Account.

A diagnosis of the Balance Sheet shows that the Cash on Hand amounted to $16,084,680, and the Total Quick Assets to $36,066,337. During the year Commercial Loans and Discounts by $5,693,609, and now amount to $45,658,553. Deposits increased by $7,838,855 now amount to $65,999,558. Notes in circulation increased by $1,213,475, now total $6,697,858. Total Resources of the Bank now appear as $83,655,865, an increase of $9,665,958 in the year.

The steady and consistent growth of the Standard Bank from year to year is the best evidence of the confidence of the public in this solid and well managed institution, and the marked increase of its business, especially during the last two or three years, affords unmistakable evidence of the marvelous growth and prosperity of the Dominion.

The results of the year under review must be gratifying to the shareholders, and are indisputable evidence of the skillful and conservative management of the Bank's affairs.
