At a largely attended meeting of Markdale citizens held in the council room on Monday evening, it was unanimously decided to fall in line with the daylight saving idea, beginning next Monday morning, and a motion passed asking the Reeve to issue a proclamation accordingly. It was also decided to observe Thursdays during July and August as a holiday.

Messrs. J. & W. Boyd have dispensed with their general store business here, Mr. Richard McKennitt having purchased the remainder of their stock, except the hardware. It is very much regretted that this business has been suspended, but we are indeed fortunate in still having Mr. Boyd with us. We understand that Mr. G. S. Dundas will resume his tailoring business in his former quarters. We join the public in extending a hearty "welcome back" to Mr. Dundas.—Standard.

Address and Presentation

A large number of people from Eugenia and the surrounding country met at the hospitable home of Mr. Fred Pedlar, near Eugenia, on Tuesday evening, April 1st, for the purpose of welcoming home another of our returned heroes, Pte. Henry Tudor. During the evening Pte. Tudor was presented with a gold watch and fob, together with the following address:

To our returned hero, Pte. Henry Tudor:

We are gathered here tonight on this very happy occasion to welcome you home from across the ocean, where you have been playing a noble part in the worst war the world has ever known. You have run hazardous risks in this awful warfare of the Huns, battling for a good and noble cause that we might still enjoy that freedom, liberty and righteousness that has made the British Empire the greatest in the world. For your service on our behalf in that great war we owe you a debt we can never repay. Had Germany won the war then we might have been able to estimate what we would have been willing to pay to save our country, our homes and our loved ones from such destruction and blood shed as Belgium and other countries suffered, God has spared us from that, but we can never forget what we owe to our brave soldiers and sailors. As a slight token of recognition of your noble service we would ask you to accept this watch from your friends of Eugenia and vicinity.

Signed— Mr H. Foester and Mr. D. Williams.

Your removal from us leaves a vacancy which will be hard to fill, but we hope that your new surroundings may be pleasant and that you may be spared many years to enjoy the good work you have started in your youth. We ask you to accept this Bible as a slight token of our esteem for you. Our best wishes go with you.—Signed on behalf of the Guild.
