Banqueted The Returned Soldiers

The Soldiers' Aid Society of Flesherton tendered a fine banquet to the boys who have returned from overseas, on Good Friday evening, in the high school. There were sixteen returned men present as follows : C. Adams, L. Brothwell, E. Butler, P. Beattie, R. Bellamy, F. Bellamy, W. Cargo, C. Crossley, T. Chard, W. Davis W. Flynn, E. Henry, H. Hales, E. Jamieson, J. LeGard, H. McAuley.

All the above boys enlisted from Flesherton and there were others who were unable to be present. Among the absentees were R. Irwin, R. McAuley, C. Blakeley, F. Lever, T. Davis, W. Wilcock, R Lever, M. Wright, H. Paton, D. Weese, F. Paton, E. Wright, G. Richardson, H. LeGard, G. Paton, C. Dudgeon, T. A. Jamieson, H. McLeod and E Bellamy.

The ladies provided an elegant spread for some sixty guests. The tables were handsomely decorated with flowers and joy and goodwill reigned supreme.

After ample justice had been done to the good things provided the general public was admitted until the assembly room was crowded. Reeve McTavish occupied the chair and directed a lengthy and interesting program composed of readings, piano and vocal duets and solos, speeches by the three clergy of the town, and Mr. T. Chard.

At the end of the program Mrs. Patton President of the Soldiers' Aid, called all the returned men to the platform and read a lengthy address, and Mrs. W. I Henry, Secretary of the society, presented an envelope containing fifteen dollars to each man. Mr. C. Crossley, on behalf of the boys present, made a neat reply, thanking the ladies for their much appreciated kindness.

The entertainment closed with the National Anthem which was sung right lustily.

Nearly A Centenarian

We were sorry to learn of the death in Markdale, on Tuesday of last week. of Mrs. John Osborne, a former resident of this town, who passed away at the home of her daughter, Mrs. R. Smith. The deceased lady, whose maiden name was Jane Wilkinson, was born in Hull, Eng , 98 years ago. Leaving England with her parents when five years old, she came to Chingacousy and later moved to Toronto, which was at that time called "Muddy York," where she saw the stirring times during the rebellion of 1838. She was there married to John Osborne, who predeceased her nineteen years ago. In 1855 she and her husband moved to Osprey, following a blazed trail in an ox wagon from Collingwood into the then wilderness, where they lived until their removal to Flesherton twenty-six years later. The deceased lady lived with her husband here until his death in 1900, since when she has been living with her daughters, Mrs. W. J. Stewart of Flesherton and Mrs. Rich. Smith of Markdale. She was the mother of three sons and six daughters, namely : Sam at Maxwell, John at Forget, Sask.; Wm. of Osprey, Mrs. W. R. Hanley of of San Jose, Cal.; Mrs. P. Ottewell of Osprey, Mrs. Ira Perigo of Feversham, Mrs. W. Ross of West Toronto. Mrs. R. Smith of Markdale, and Mrs. W. Stewart of Flesherton, all of whom live to mourn the loss of a loving mother. There are also 37 grandchildren and 73 great-grandchildren. Revs. Conn and Stanley held a short service at the house in Markdale, after which the body was removed to the Baptist church, Flesherton, where Revs. Quinn and McVicar held the funeral service. Interment took place in Flesherton cemetery where a large cortege of friends assembled to pay their last tribute of respect to one beloved by all.

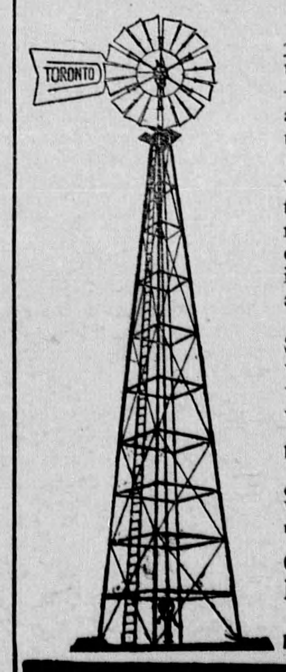
SAVE

TIME—LABOR—MONEY—With Wind Power



The wind is free. Put it to work on *your* farm. It will cut your chore-time in half—save you labor and time—make money for you. It will pump and carry the *more than a ton of water* used *every day* on an average farm.

A Toronto Windmill will put the wind to work on your farm. Not in the old-fashioned way. Toronto Windmills are modern—big, strong, efficient, requiring little attention, costing nothing to run, working quietly all the time—with DOUBLE GEARS.

Toronto Pumps and Toronto Water Systems complete a real water service. Gives you all the water you want under pressure at taps everywhere on the farm.

Toronto Pumps and Water Systems are also built for use with gasoline or electric motors.

We have some mighty interesting booklets on Windmills, Pumps and Water Systems. We'll send these free to any farmer who sends us his name and address.
