At the annual meeting of Flesherton W. I. last week the following officers were appointed: President, Mrs. R. Best ; First Vice, Mrs. O. W. Phillips ; Second Vice, Mrs. A. Stewart ; Sec.-Treas., Mrs. W. Henry.

Mrs. Harvey Griffin, who has been ill in Orangeville hospital for weeks and underwent several operations, was brought to Flesherton last week and was convalescing at the home of her mother, Mrs. W. Wilcock, but returned to her home at Alton Monday.

Mr. W. Boyd sold the bunch of young cattle which he has been wintering to the Wm. Davies Co. of Toronto. The firm sent up two men to make the purchase one day last week. There were 38 animals in the bunch and they were worth nearly six thousand dollars. There were two car loads.

Germany got her dose last week at Versailles, and she is now trying to digest it. The Beast that walked the earth for four long years is now in leash. When the head with boars tusks is buried four feet below the sunshine, this old world will once more be able to breath without the choking sensation experienced while he lives. Get the Hohenzollern head and we will all be satisfied.

The Fordon tractors purchased by the Road and Bridge Committee of the County Council have proved inadequate to the duty they had to perform and are being returned to the manufacturers. This was decided on at a meeting of the committee last week in Owen Sound. These tractors are too light for the work assigned them, although all right for the work for which they were built. The committee have now purchased half the number of Sawyer-Massey tractors and of double the weight and power. These are also coal oil burners. As the Fordon tractors had been guaranteed to do the work, and failed, there was no trouble about returning them to the makers. There will be four of the heavier tractors to do the work of eight of the discarded machines.

The Flesherton baseball club journeyed to Eugenia on Friday evening last to play a return game with the Power House. As in the game here last week, the score was too one sided to make the game interesting to the spectators, Flesherton winning by a score of 19 to 5. Davis and Muir were the battery for Flesherton, while Lawrence and Patterson were in the points for the Power House. Mr. Cameron of the Power House acted as umpire.

The Advance had a little squint at the new hydro park at Eugenia on Friday last, and came to the conclusion that when completed it will be a great attraction for picnickers and pleasure parties. A handsome dancing pavilion is in course of construction and a gang of workmen, headed by a stalwart returned soldier—Sandy Hoy—is clearing up the underbrush and loose stones, and trimming the trees to a symmetrical form and so that the limbs will not brush off the ladies' hats. Win Large has the contract for the pavilion and is assisted by A. Carruthers. Electricity will be the mode of illumination by night and if enough "bottles with red-hot hairpins shut up in 'em" are placed through the grove it will be a little paradise for revelers. A substantial fence will enclose the park on three sides.

Andrew Bentham Dies In Hospital

The sad news was received here on Sunday that Mr. Andrew Bentham had passed away Saturday night in the Western hospital, Toronto, following an operation for apendicitis a week before. Mr. Bentham was a native of Flesherton having been born here 67 years ago. He married Miss Margaret Quigg, who survives him. One son and one daughter also survive—Will and (Kate) Mrs. Fred Sheppard—both of Toronto. His son, Edward, died this past winter from pneumonia. Mr. Bentham lived here all his life until eleven or twelve years ago, when he moved to West-Toronto and worked at the carpentering. The remains were interred at Toronto on Tuesday afternoon. His brothers, Richard and Thomas, and sister, Mrs. Wm. Wilcock, of Flesherton, attended the funeral. The Advance extends deep sympathy to the sorrowing widow and family.

Blamed the Cigarettes

A young fellow only 17 years of age pleaded guilty in the police court on Saturday to forging and theft and was given a year in Burwash prison farm. His father was asked if he had anything to say and addressed the court, stating his belief that the boy had become stupid through smoking too many cigarettes and did not seem to realize the gravity of the offense. The parents feel the matter very keenly and so does the boy, and it is expected that he will have learned in the year spent in New Ontario that it not only pays to be honest, but that it is best to be honest. Evil companions and late hours have ruined many boys, so the magistrate said, and in passing sentence he stated his belief that the sentence would be good for the culprit as well as act as a deterrent to others.—Owen Sound Sun-Times.

The G. T. R. station at Palgrave was recently destroyed by fire. Sparks from a passing locomotive is given as the cause.

Mrs. Archie Goldberg, wife of a Hamilton hotelman, was foolish enough to sell a policeman in plain clothes a bottle of whiskey for $5. Now she is $500 poorer. When she parted with the money she said she felt more like an Iceberg than a Goldberg.
