Notice Re Booths

Any parties desiring to erect booths for sale of drinks or other refreshments, or to secure other privileges on the picnic grounds at Eugenia on the 26th, must apply and secure authority to do so before the day of the picnicl Apply secretary, Eugenia Picnic Committee, Markdale, Ontario.

Manager Resigns

One matter which the County Council will have to deal with at its seision this week is the appointment of a Manager of the House of Refuge in succession to Mr. D. H. Sinclair, who has tendered his resignation. His health for some time has not been good, and as it shows no sign of improvement he has decided to give up the position.

Mr. Sinclair was appointed about seven years ago, on the resignation of the late Thos. Harness. At the same time Mrs. Sinclair was appointed Matron; and during all the time they have had charge of the Institution their service has given nothing but the most entire satisfaction. The County will not find it easy to replace them.

Previous to going to Markdale Mr. and Mrs. Sinclair resided near Keady. Mr. Sinclair was one of the most progressive and successful farmers in this District, and a man who held the respect and regard of all. His friends hope that the illness which necessitates his resignation may be only temporary.—O. S. Advertiser.

Palmerston Has The Correct Idea Of It

Palmerston is one Ontario town th t has arrived at a decision as to what form its memorial to its fallen soldiers shall take. A committee appointed to look after the matter presented a report to a well-attended public meeting and the report, after considerable discussion was adopted.

The committee recommended that the War Memorial take the form of a statue to be erected on the lawn on the east side of the Public Library Building. The statue to consist of three granite bases and a granite die, surmounted by the figure of a Canadian soldier, cut out of a solid marble block of Italian Carrara marble. The height of the statue, over all, would be about 14 feet, the figure of the soldier being 6 feet. It is also part of the scheme to have the grounds generally beautified so as to be in keeping with the statue proposed to be erected.

On the statue will be engraved the names of their fallen heroes and other appropriate inscriptions. Along with the foregoing the committee recommended the erection of a suitable place for a marble tablet, having inscribed thereon in raised letters the names of the men who enlisted there The estimate cost of the statue, marble tablet and improvements, is approximately $2,000.

The statue and marble tablet are to be obtained from Mr. W. J. Welsh, marble and monument manufacturer of Harriston. The bases and the die of statue are to be a light grey Canadian granite and the figure of the soldier is to be of solid Carrara marble imported from Italy.

WALKERTON

The Herald-Times has been taken to task by one of our returned soldiers for saying he "went through the war without a scratch." Os course we had in mind so far as the Huns were concerned, not the cooties.

Holidays are occurring with such whilhom frequency that a lady on the front street who got her dates mixed, finished and hung out a fine large washing on Sunday last. By the time she discovered her mistake the clothes were dry and ready to take in again.

Hugh Threndyle, who was fined last week for using grossly insulting language to Miss Hilker, a daughter of Mr. and Mrs. John Hilker near the G. T. R. station, retaliated by laying a similar information against the girl, whom Threndyle claims handed out a strong line of talk to him on the occasion for which he was fined. The young lady admitted her guilt before Magistrate Tolton on Saturday and was assessed the regulation dollar and costs for the offence.—Herald and Times.

Card of Thanks

Mrs. Turner and family of Eugenia wish to thank their friends and neighbers for their kindness shown during the trial they have recently passed through by the death of their husband and father

Perfected Silos
You can't have ensilage without a good silo.
Toronto Silos are made of selected spruce staves. Double tongued and grooved. Each stave is saturated with creosote. An added advantage is the Toronto Hip Roof. This means greater capacity, and allows tramping of ensilage to the top of the staves. These perfected silos cost no more than ordinary silos.
To cut your corn at the right time you must have an ensilage cutter of your own.
The Toronto Ensilage Cutter is desighed to give efficient, light-running service. There is no choking or jamming—it takes corn, alfalfa or clover with the same smooth-running, rapid action.
Write for the free Silo and Ensilage Cutter booklets. They give the complete story of these two splendid Toronto Products.
