WHEREAS it is desirable and expedient, for the Municipality of the United Counties of Frontenac, Lennox and Addington, that the sum of £10,000 be raised by way of Loan, for the purpose of erecting a New Court House and Gaol. And whereas, in order to liquidate the said debt or Loan, so to be created or contracted, and the interest thereon, it is necessary that a special rate over and above and in addition to all other rates, for the payment of said Debt or Loan and Interest within the time limited by the Provisions of this By-Law, should be levied annually, according to Law, on the rateable property of the Municipality. And whereas, the whole rateable Property of the said Municipality, according to the Assessment Returns of the same, for the last financial year, ending on the 31st day of December, 1854, amounts as near as can be ascertained, to the sum of £1,759,000. Be it therefore enacted, by the Municipal Council of the United Counties of Frontenac, Lennox and Addington—

I. That Debentures shall be prepared, and signed by the Warden and countersigned by the Treasurer of these Counties of a denomination of not less than Twenty-five Pounds, bearing interest at the rate of six per cent. per annum, payable half yearly, to the amount of the said sum of Ten Thousand Pounds, and to be redeemed as follows:—£5,000 in ten years, and £5,000 in fifteen years, from and after the date of issuing the same respectively.

II. For the payment of the said Debt or Loan and Interest thereon, within the time as hereinbefore limited, a special rate be levied in each year, on the said amount of rateable property within the aforesaid Counties, amounting in each of the years 1856, 1857, 1858, 1859, 1860, 1861, 1862, 1863, 1864, and 1865, to £1,320, and in each of the years 1866, 1867, 1868, 1869, and 1870 to £1,560.

III. That for the purposes hereinbefore mentioned, the following annual rate in the £. for the respective years following, shall in the said years be assessed, levied and collected in the same manner as the general rate of the said Counties, upon and out of the said whole rateable real and personal property in the said Counties as aforesaid, namely, for each of the years 1856, 1857, 1858, 1859, 1860, 1861, 1862, 1863, 1864, and 1865, Five Sevenths of a Farthing and for each of the years 1866, 1867, 1868, 1869, and 1870, Six Sevenths of a Farthing.

IV. That the amount of Debentures provided for by this By-Law, and the Interest payable thereon, shall be made payable in sterling currency at the Bank of British North America in Kingston, Canada, or at such other place as the Committee appointed to superintend the erection of the Court House and Gaol, may direct or determine upon. And shall be disposed of by order of said Committee, drawn upon the County Treasurer.

V. That in the event of a separation of the Counties of Lennox and Addington from the County of Frontenac before the Debentures or any part of them provided for by this By-Law, shall be paid and redeemed, then the said County of Frontenac shall provide for any such Debenture or Debentures, or for any balance which may then be due or remaining unpaid.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates

NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copywright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and support, in his opposition to the Great Monopoly, and in his efforts to aid native talent, and to adopt the National Currency. Testimonial of the Horace Waters' Pianos.

HORACE WATERS, Esq., 333 BROADWAY:

Dear Sir—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such in your beautiful instruments.

THOMAS BAKER,

R. A. M. Leader of Jullien's Band and Arranger of Jullien's popular Repertoire of dance music; formerly manager of the publishing department of the great music house of Jullien & Chappels, London, and now Musical Director & Conductor at Niblo's Garden.

For power, brilliancy and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other pianos in the United States, being the result of long experience and a series of experiments.—N. Y. DISPATCH.

The treble is clear, pure, beautiful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved.—HENRY C. WATSON.

Your instruments are a sensible improvement upon American pianos, and an honor to the skillful manufacturer. There is no doubt but they will be appreciated by the public, and all admirers of true merit.—OSCAR COMETTANT.

For power tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—V. C. TAYLOR.

They are fully equal to any of the kind I have seen in the United States, and far superior to those of a similar make I saw in England.—GEO W. MORGAN.

I take great pleasure in pronouncing them instruments of a superior quality, both in tone and touch.—AUGUST GOCKEL.

Our friends will find at Mr. Waters store the very best assortment of music and of pianos to be found in the United States, and we urge our southern and western friends to give him a call when they go to New York.—GRAHAM'S MAGAZINE.

We consider them worthy of special attention, from the reasonant and exceedingly musical tone which Mr. Waters has succeeded in obtaining.—N. Y. MUSICAL WORLD & TIMES.

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—N. Y. MUSICAL REVIEW.

In the production of Pianos it is probable that Mr. Waters has eclipsed all competitors. The recent improved Pianos which he has presented to the public, have become universally admired for their delicate tone, as well as teh superior finish and elegance, and have in every respect, received the univeral commendation of musicians and amateurs.—TIMES & MESSENGER, N. Y.

Your new Square Pianos, sir, are of such a clearness and equality of tone throughout, that they very successfully compete with the voluminous and expressive Grand Piano.—VANDERWEYDE.

The Editor of the SAVANNAH REPUBLICAN Savannah, Ga., speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co. of that city, says:

"It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establishments of Chickering & Son, Horace Waters, H. Worchester, Nunns & Clark, and Bacon & Raven. It might well be supposed, that in so large a collection there would be some very fine instruments. But there is one which, for beauty of finish and richness and brilliancy of tone, equals, if it does not excel, anything of the kind we have ever seen. It is from the establishment of Horace Waters. Being constructed of the best and most thoroughly seasoned material, and upon improved principles, it is capable of resisting the action of every climate, and of standing a long time in tune. The keys are of pearl, and the recess for the finger-board is inlaid with mosaic while the legs are most elaborately carved, and the whole instrument finished up in a style of great excellence and beauty. And yet its chief merit lies in the power, brilliancy, and richness of its tone, and the elasticity of its touch.

W. TOWNSEND,

PROFESSOR of Piano Fortes & Melodians, respectfully gives notice to the Ladies and Gentry of Kingston, that he will remain here if a sufficient number of Pupils can be obtained. For further particulars inquire at Mr. Murdoch's Music Store.
