Dr. James McClintock's Vegetable Purgative Pills,

For Costiveness, Impurities of the Blood, Female Complaints, Dyspepsia, Diseases of the Kidneys, Scrofula, Rheumatism, and all Chronic Disorders of the System, where Purgative, Purifying, and Strengthening medicine is required. These Pills never cause any pain or griping—they can be taken at all times without regard to weather or diet—they are purely vegetable; and being composed of the essential extracts of the purest medicinal herbs, they dissolve in the juices of the stomach, and are thus conveyed into every fiber of the system, giving vigor and healthy stimulus to the glands, skin, bowels, kidneys, &c., enabling them to throw off the noxious humors which load them, and restoring them proper and regular functions. These Pills operating as they do with mildness and efficiency, are invaluable for children and persons of delicate constitution, and are unequaled for all the purposes of a family physic. Sold by E. H. Parker, and E. W. Palmer, Kingston, C. W.

Dr. McClintock's Diarrhea Cordial and Cholera Preventive can be perfectly relied on in every case however violent, of Diarrhea, Dysentery, and Incipient Cholera. Thirty years' use in hospitals and private practice has proved it to be a specific, and thousands of rapid cures have been made by its use during the present sickly season. Every person should be provided with this sure remedy. Price 25 cents and 50 cents. 145

THE WORLD'S FAIR OF ALL NATIONS.—among the noticeable things on exhibition at the Crystal Palace, we saw a contribution of New Pills, from the laboratory of Dr. J. C. Ayer, the author of the widely known and valued Cherry Pectoral. As it is against the express regulations of the Palace, to admit any quack medicines, this fact shows that his remedies are not placed in that category by the authorities. Indeed, we have before known that his Pectoral was highly appreciated by scientific men, and have seen lately that his Pills are held in great estimation by those deeply learned in the healing art.—True Reformer, Mass. 137

An ounce of fact is worth a pound of theory; and the swarm of conclusive facts that cluster around that incomparable preparation, Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, establishing its value as a tonic and restorative, are such as would prevent incredulity itself from questioning its efficacy. In all cases of diseases of the stomach, whether acute or chronic, it may be recommended for its soothing, cordial and renovating influence. Dyspepsia, heart-burn, loss of appetite, nausea, nervous tremors, relaxation and debility, &c., and relieved by the Bitters in a very short space of time; and a perseverance in their use never fails to work a thorough cure. See advertisement. 145

Holloway's Ointment and Pills have effected another Wonderful Cure of Sore Legs.—Anthony Harrison Beard, of Southampton, Nantucket, was a sufferer for twenty-eight years from sore legs, so bad at times, that human nature could scarcely bear it, as they were covered with wounds and proud flesh. His friends had given up all hopes of his ever regaining the use of his limbs, as he was in so pitiable a state, the more especially as the doctors told him it was constitutional. Having heard from several people the good effects Holloway's Pills had produced in cases of this nature, he made up his mind to give them a trial; after using them for a few weeks, he felt much better, and by continuing them for two months and a half, he was perfectly cured, after being 28 years a cripple, and considered beyond human aid. 145

3rd—Coarse and heavy colors, *do not settle* in it, as they do in all other upright Mills.

Kingston, 25th April, 1855. 10

I THINK it right to state to the Public, that I was most awfully afflicted with many complaints for more than four years, one of which was a severe rupture, another a cankered chest and throat, with severe pains in my head. Also, a general debility over my body. I tried many Doctors medicine and got no relief, but got worse all the time. At last I went to Doctor Lanktree, of Kingston, and remained with him some time, and am ready to prove to all that I got rid of my rupture, and of every other complaint I had, and am now a sound man and able to do my business. I must state that I did not go with a view to get rid of the rupture, as many Medical men told me there was no remedy but wear a truss for life. But to my great joy, I am now perfectly cured of the harrassing affliction, and would seriously advise all young persons troubled in this way, to apply where I got immediate relief.

DAVID TAYLOR.

Tyendinaga, 1st May, 1855.

I had a cancer on my lip for a long time, and wearing in a severe way, could get no remedy, until I got perfectly cured by Doctor Lanktree, of Kingston, and am now more than half a year without the least fear of its returning again.

DANIEL McNABB.

Storrington, 15th May, 1855.

Not long ago I was badly afflicted with sore eyes, could get no relief but got worse all the time, and thought I should get blind, as I found no relief from all the Doctors I tried. Being in Kingston, I was advised to go to Doctor Lanktree. So I did, and got quite well after a short time, without any fear of getting worse since. The remedies I got from all the other Doctors were no more than different kinds of eyewater. But he treated me in quite a different way, drew all the bad salva from within, and perfectly cleared up eyes in this way.
