Address and Presentation

On Thursday evening, Aug. 28, the friends of Richard T. Wyatt gathered at the home of Mr. Bert Wyatt and presented the former with a handsome gold watch and fob. The address was read by W. J. Moore and the presentation made by J. J. Brown. Following is a copy of the address :

Dear Richard,—We, your old neighbors and friends, have met here tonight to give you a personal welcome home. Although you have made your home in the western part of our country during the last few years, we feel you still belong here. We cannot feel too thankful that the armistice made it unnecessary for you to complete your journey, yet we realize the time and labor you spent in bravely fulfilling the many duties of a soldier in training and preparing for the firing line. We now ask you to accept this watch as a slight token of our appreciation and esteem. We all join in wishing you health and prosperity—W. J. Moore, J. J. Brown.

EUGENIA

Mr. Robert Campbell of the Valley passed away at his home on August 30, and although in failing health for some time it came as a shock to everyone. We would respectfully remind some people in this village that if they expect this place to prosper to not try and monopolize everything in it to their own advantage. There are some people in every town whose epitaph would be complete in the following :

Here lies the body of ten per cent.,
The more he got, the more he lent.
The more he lent the more he craved,
And how could such a man be saved.

The men in charge of the road machinery on the County Road System east of the Village place lighted lanterns on highway obstructions at right to avoid danger. A sneak thief walked off with two new lanterns Tuesday night. Other small articles have been stolen before. It is a disgrace to the community if County property is not safe from common thieving.
