Road Closing Notice

Notice is hereby given by the Municipal Council of the township of Artemesia that the said Council will, after four weeks from the first insertion being in the Flesherton Advance newspaper (the date of such insertion is the 28th day of August) proceed to pass a bylaw for closing and disposing of the original allowance for a lane situate, lying and being between Lot 23 on the north side of Canrobert street, and Lot 23 on the south side of Simpson street in the town plot of Eugenia.

All parties interested are hereby to take notice.

Dated this 27th day of August, 1919.
W. J. BELLAMY,
Townsbip Clerk.

Does Your Label Say 1920 !

A Memorial Park For Flesherton

Flesherton is to have a Memorial Park worth talking about On Thursday last Mr. Ainslie of St. Catharines, one of the executors of the Flesher estate, came up and sold to the village council five acres of the estate, including three good building lots on Sydenham street, for the nominal sum of $600. The property is peculiarly suited for the purposes of a park. It takes in the wooded hill and with some outlay it cah be made a most beautiful memento of the great war.

Although the village fathers have bought the property it is proposed that payment shall be made by donations from various organizations and private subscriptions. The W. I. have taken the initiative in this regard, but others will doubtless follow now that the ladies have pioneered the job, and we will have a park of which every citizen may be proud.

Geo. M. Leeson

A word as to the personality of the candidate chosen at the U. F. O. Convention on Friday last is in order, as he is not as widely known in the Riding as he will be.

He was born in Ingersoll, Ont., and came in early youth with his parents to the farm just west of Varney village about three miles from Durham. Here he got his primary education and later his introduction to the multifarious work of a South Grey farm. After some years his ambition led him to study. He took a course in High School and in medicine in Indiana, graduated, and for some years had a successful practice there. His health causing him anxiety, he came back to the land 13 years ago, bought the farm he now lives on adjoining Varney and by his industry and inetligence has developed into a successful farmer. He and his two sons work 260 acres.

While Mr. Leeson does not profess to be a publil speaker, he is abundantly able to give a reason for the hope that is within him. His integrity and good judgment have won for him the high esteem of the U. F. O. membership. The honor done him now is a case where the office sought the man, not the man the office.—Durham Review.

Grand Reception to Returned Soldiers
—AT—
FLESHERTON
—ON—
Friday, Sept. 19, 1919

The Councils of Artemesia and Flesherton will extend a welcome home to soldiers who served in France and other foreign countries in the late war, on the **Agricultural Grounds, Flesherton,** on the above date.

The following are expected to be present and give addresses: R. J Ball, M. P., Hon. Dr. Jamieson, M. P. P., John McQuaker, Esq., Warden Grey County, W. H. Wright, Esq., Owen Sound, J. A. Boyd, Esq., Markdale, Dr. Mearns, Hanover, and the local clergy and other speakers and talent.

BASEBALL MATCH Music by Swinton Park Pipe Band and Orchestra will enliven the proceedings.

Medals will be presented to those who served in France and Flanders; and mementos to the nearest lady relative of the fallen.

This is a civic holiday for the municipalities and everybody should come and give the boys the glad hand and a welcome home.

Admission to grounds free. The ladies will provide supper, for which a fee will be charged.

Representatives of the county press are especially invited.

T. R. McKenzie, Reeve of Artemesia. D. McTavish, Reeve of Flesherton.

TORONTO

Value Your Time

Big factories don't pay men to do the work machines will do. They make money by using modern machinery and modern methods.

Farmers who make money use modern methods, too. You *shouldn't* use hand-power for work a gasoline engine will do.

Get a Toronto Farm Engine. All those jobs that weary you now will become merely incidents in the day's work. Milking, separating, churning, sawing, grinding, sharpening tools, mixing cement, shelling corn, filling your silo—you can do these things quickly and economically.

Toronto Farm Engines are honestly built. Sturdy and simple, they need little attention. Run on gasoline or kerosene.

You can save money, time and trouble by using a Toronto Grain Grinder. Gives you big mill service right on your own farm, at small cost.

Toronto Saws solve the fuel problem on the farm. Utilize the waste wood on your farm.

Write for our books on engines, saws and grinders.
