One day last week Mr. Andrew Gilchrist of Ceylon made The Advance man a present fit for the gods—a ten pound basket full of luscious mushrooms. He has our eternal gratitude.

Just at the present time our advertising columns are so full of advertising that we scarcely know which way to turn. We will endeavour to get in all the local news, however, and in a short time more space will be available for reading matter. The unusual amount of advertising shows a healthy growth of enterprise and also shows the value of The Advance as an advertising medium. New subscribers are also being added to our list every week.

Mr. F. E. Somers, of Feversham, was the guest of the Ontario Wind Engine & Pump Co., Limited, on a trip to the Thousand Islands on August 28, 29 and 30th. This was the result of a hard fought selling contest which produced 29 winners and their wives. Commencing with a formal luncheon in the Wisteria Room of the Carls-Rite Hotel, Toronto, they embarked on the Canada Steamship Line's pleasure steamer "Kingston", and proceeded via Rochester and Kingston to Alexandria Bay. The scenery on the St. Lawrence River, studded with lovely islands, was very much enjoyed. Breakfast and luncheon were served at the Thousand Islands House at Alexandria Bay. One of the main attractions was a two and a half hour motor launch trip around a number of the Islands. The scenery might well be called the Venice of America, where nature is at its best. On their return the party visited the Toronto Exhibition, and in the afternoon at the farewell reception a vote of thanks for a jolly good time was heartily and unanimously endorsed.

Karstedt--Fleming

The home of Mr. Robert Fleming, Grimsby, was the scene of a very happy gathering on Saturday, August 30th, when his eldest daughter, Jean, was united in marriage to Mr. Fred Karsted of this town. The bride was in her travelling suit of navy blue serge with becoming hat, and carried a bouquet of roses and sweet peas. The officiating clergyman was Rev. Mr. Currie of Grimsby and the pianist was Miss Isabel Wingate of Toronto, cousin of the bride. The happy couple left by the afternoon train for Toronto and there took a boat for a trip down the St. Lawrence. The bride was the assistant of Mr. Marcellus in Milton High School and was the recipient of a handsome silver flower vase mirror. The father's gift was a handsome cheque, as well as that of the groom. They will reside in Priceville, and will be at home to their friends after Oct. 1st.

Motorists Take Note

A local exchange has announced the completion of the fill of the sink hole on the Owen Sound gravel, three miles north of Markdale. This announcement is somewhat premature and has already got some motorists into trouble. While the actual fill has been completed, the approaches have not, and motorists attempting to pass that way are pretty sure to get into a peck of difficulty. On Sunday last a gentleman coming from Owen Sound became stalled on the road there and had to be drawn out with a horse. His hind wheels dropped so deeply into a hole that his gasoline tried to run the other way. Therefore, until definite announcement is made that the road is completed motor traffic should not attempt to negotiate that piece of road, but continue using the "cut-out" around by the east back line as far as Berkeley.
