The new branch of the Merchants Bank here is now open for business with the following staff : C. A. Norsworthy, of Wallaceburg, manager ; W. L. Patterson, Merriton, teller ; and Bob Trimble, Flesherton, on the ledger.

H. Down & Son began building operations last week on their new garage. The building will be 50 by 100 feet, one and one half stories high, built of solid brick. The plans have been drawn by Mr. Win. Large, of Eugenia. Mr. Down has secured the agency for the Ford car. The firm name will be H Down & Sons, composed of H. Down, sr and Robert and Alfred Down. Mr. Robert Down will make a sale of his farm stock and implements at Hatherton and move to town the latter part of October.

Dr. Jamieson, as representing the Durham Furniture Co., is deserving of the public thanks of the people of this village. His company purchased the timber on the Flesher property including the wooded lots purchased by the village a week ago from the executors for the purposes of a memorial park. In answer to a question by the Reeve, Dr. Jamieson said that if it would make a better breathing spot for the village to have the timber left, it would not be removed by the company. This statement was received with cheers and is a matter of relief to many, who were afraid this pretty spot would be denuded of its verdure and left looking bleak and barren. The Advance takes upon itself to thank, on behalf of the public, Dr. Jamieson and the Durham Furniture Co. for their gracious gift.

Mr. and Mrs. Frank Duncan returned on Tuesday from their honeymoon trip.

Mr. W. A. Armstrong was at Atlantic City and New York last week on business.

Those who attended the Methodist church on Sunday received an unusual treat. Mr. Goldsmith, teller in the Standard Bank here, sang a solo at both the morning and evening services. This gentleman is a trained singer and has a strong tenor voice. He has been a choral singer since boyhood. His favors on Sunday last were very much appreciated.

Adam Holley of Dornoch was sentenced at Owen Sound last week to four years in the penitentiary for burning W. J. Bell's barn in October 1915 Another charge of perjury was held over until the next Assizes. Two of Holley's sons were brought from Grand Prairie, Man, to give evidence against their father. Holley is over 60 years of age.

A party from here, recently, when coming from Toronto, saw a rig on the road near Dundalk. They tooted their horn but the rig didn't move to one side for them to pass, so they put on the juice and ran into it with sorry results to their car. It was the county steam road roller. If you want to know who suffered, ask at McTavish's garage whose smashed wheel that is in the shop for repairs.

At the Liberal convention held in Durham last week it was decided not to make a three cornered fight in South Grey at the coming election, but to leave the contest with the U. F. O, candidate and Dr. Jamieson. If the Dr. were defeated he would probably follow the lead of Hon. I. B. Lucas and retire from politics. He has been one of the best representatives this riding ever had, and is not in it for the money or big salary. But as a friend of ours remarked, "These politiks is a strange thing ; even an angel wouldn't satisfy some people."

Medals Presented To The Returned Men

By Artemesia Township And Flesherton Village

Friday last, which was set apart as a public holiday by the township and village for a public welcome to the returned soldiers, was the first rainy day we have had in several weeks. As a consequence the afternoon program was very much marred and delayed until such a late hour that the speakers only had about time to offer their apologies for not giving speeches. Those who were present and addressed the crowd were, Reeve McQuaker of Owen Sound; Dr. Jamieson, M.L.A ,Durham ; Lieut.-Col. Carmichael, the U F.O. candidate in East and Centre Grey, Collingwood township ; and Inspector Huff of Meaford. All of these gentlemen gave short addresses along military lines, but were unable to elaborate at any length. The speakers were introduced by Reeve McKenzie.

The important event of the day was the prezentation of 87 very handsome medals to the returned men, and 25 gold brooches to the nearest lady relatives of those who had fallen, in all cases, we believe, to the mothers. These brooches contained the initials of those who had sacrificed their lives, and the medals contained the following words : "Great war duty, 1914-1918," and the name of the municipality. Both medals and brooches are beautiful pieces of art, and will indeed be highly prized by the recipients. The reverse side of the meda's contained the names of the recipients. The presentations for the township were made by Reeve McKenzie and Deputy Reeve Cameron, and for the village by Reeve McTavish. Each medal and brooch was accompanied by an appropriate type written address.

While the speaking was in progress a baseball match was being played close by, which attracted more people than the speakers. This match was played between Owen Sound and Flesherton clubs. It was not called a match, as the fourth inning was not completed when a heavy downpour of rain caused everybody to scamper for home. Flesherton was doing well when the game was brought to an end, the score standing at 12 to 3 in favor of the home team.

The Institute ladies gave a splendid supper to a large crowd of people. Had the weather been better their resources would have been strained to the breaking point. As it was, the proceeds of the supper amounted to $105.50.

The ladies also put on a concert at night which produced another $125. The auditorium of the high school was well filled, and the talent, we believe, was good. Anyway, everybody seemed to be pretty well satisfied.
