SOGGY ITALY

A couple of reasons the going's tough in Italy are the bridgeless rivers and muddy roads encountered in the chase after the Germans. But rugged jeeps manage to conquer each obstacle with their usual facility.

Have You Heard?

Simpson was relating his experiences in India. "I was taking my usual morning dip when I spotted three gladiators making for me, so I had to swim for my dear life!"

"You mean navigators—something like a crocodile?" interposed Johnson.

"Well, what are gladiators?"

"Gladiators? Why, they're a sort of flower grown from bulbs."

Stern Parent: "Now, Willie, I'd like to go through a whole day without once scolding or punishing you."

Willie: "Well, mummy, you have my consent."

Two modern little girls, on their way home from Sunday School, were solemnly discussing the lesson.

"Do you believe there is a devil?" asked one.

"No," replied the other promptly. "It's like Santa Claus; it's your father."

—o—

Wife: "When I married you I didn't think you were a coward. I thought you were a brave man."

Husband: "So did everybody else."

—o—

Proprietor of Boardinghouse (at dinner table): "Remember, ladies and gentlemen, in these rationed times we should put a bridle on our appetites."

Voice from the End of the Table: "Id rather put a bit in my mouth."

—o—

"My husband says I look ten years younger in this hat!"

"How old are you?"

"Thirty."

"I mean without the hat."

A Quaker, whilst taking a walk, was accosted by a tramp.

"'Guv'nor," said the wanderer, "This ain't the road to London, is it?"

"Friend," quoth the Quaker, "first thou tellest a lie, and then thou asketh a question. This is the road to London."

—o—

Wife: "How did you like the WAC parade, dear?"

Colonel: "Marvelous. Five thousand woman and not a slip showing."

Canada To Receive 19,565 U.S. Tractors

Rep. H. Carl Andersen, of Minnesota has accused the war production board of allotting more farm tractors per capita to Canada for 1944 than to the U.S. W. K. Frank, of W.P.B., last week told a meeting of farm state congressmen that 155,700 farm tractors have been allocated to U.S. farmers for 1944 and 19,565 to Canada.

Fruit, Vegetable Supply Assured

The Prices Board announced recently a program aimed at assuring Canadian consumers of a "reasonable" supply of staple fresh fruits and vegetables this winter.

It said it was hoped the program, already under way in co-operation with all sections of the trade, would assure an adequate supply, fair distribution and reasonable prices of all staple fruits and vegetables of both domestic and imported origin.

The board noted that prices ceilings already have been announced for potatoes, onions, turnips, peaches, pears, plums, grapes, citrus fruits and bananas.

To cope with the problems in co-operation with the trade the board has reorganized the Wartime Food Corporation, a Crown company organized 18 months ago to handle any necessary Government purchasing and distribution of foods. It will deal especially with problems of imported fruits and vegetables.

As a first step, an Order-in-Council has been passed placing all imports of fresh fruits and vegetables under import permit. For the time being, a general permit is being issued authorizing the trade to carry on as usual and without the necessity of obtaining specific permits for individual shipments.

ITCH STOPPED QUICKLY

Quick relief from itching of eczema, rashes and other externally caused skin troubles

RECTAL SORENESS AND PILE TORTURE QUICKLY RELIEVED

If you are troubled with itching piles or rectal soreness, do not delay treatment and run the risk of letting this condition become chronic. Any itching or soreness or painful passage of stool is nature's warning and proper treatment should be secured at once.

For this purpose get a package of Hem-Roid from any druggist and use as directed. This formula which is used internally is a small, easy to take tablet, will quickly relieve the itching and soreness and aid in healing the sore tender spots. Hem-Roid is pleasant to use, is highly recommended and it seems the height of folly for any one to risk a painful and chronic pile condition when such a fine remedy may be had at such a small cost.

If you try Hem-Roid and are not entirely pleased with the results, your druggist will gladly return your money.
