HOLLOWAY'S OINTMENT AND PILLS will cure any disease of the Skin of the longest standing.—William Frederick Anderson, of Parry Islands, suffered for a long time from eruptions on the skin, his face, arms, and legs, were covered with little pustules and sores of a scorbutic nature,—for the cure of this unsightly and painful disfigurement, he tried a variety of remedies, which failed to benefit him. At last he tried Holloway's Ointment and Pills, which very soon produced a favourable change, and by a few weeks' perseverance with these remedies, he was completely cured. This famous Ointment will cure ulcers and old wounds of twenty years standing. 193

When Machaon, the Greek Physician was slain, Homer said of him, "a good Physician is worth as much as a whole army." Then a good medicine like Ayer's Cathartic Pills, is worth a great deal more, because it cures as well, works wider, and lasts longer. The circle of the best Physician's labor must be narrow, while such a remedy is available to all—can be had by every body, and is worth having. 193

DYSPEPSIA.—We call the attention of our readers to the following notice from the Buffalo Christian Advocate, of a late date: "Whoever has suffered from Headache, Giddiness, Nervousness, Low Spirits, Dimness of Vision with Motes, Specks or Webs before the Eyes, Itching of the Nostrils, Dullness of Hearing and Ringing or Drumming in the Ears, Bad Taste in the Mouth, Tightness or Weight about the Chest, Difficulty of Breathing, Sense of Suffocation in lying down or in ascending stairs, Palpitation or uneasy feeling about the Heart, irregular or deficient Appetite, Sense of Sinking at the Heart, Sinking at the Stomach, Acidity, Heartburn, pain or fullness in the Abdomen, or Costiveness, has experienced some of the symptoms of that dreadful disease so common in this country—Dyspepsia! We would call attention to the fact that Dr. McCLINTOCK'S DYSPEPTIC ELIXIR is the only really scientific remedy ever introduced to the public for the certain and rapid cure of all the above symptoms and the entire eradication of Dyspepsia from the system. One bottle has to our knowledge cured a case of ten years standing, and it never fails to give relief."

AYER'S CATHARTIC PILLS! Pills that are Pills!! Prof. Hayes, State Chemist of Massachusetts, says they are the best of all Pills, and annexed are the men who certify that Dr. Hayes knows, viz:—

Lemuel Shaw, Chief Justice Supreme Court of Mass., Lemuel Washburn, Governor of Mass., W. C. Plunkett, Lieut. Governor of Mass., Edward Everett, Ex-Sec. of State and Senator of U. S., Robert C. Winthrop, Ex-Speaker House Rep., U. S. A., Abbott Lawrence, Minister Plenipot. to Great Britain, † John B. Fitzpatrick, Catholic Bishop of Boston. Men that are Men!!! Among the diseases this Pill has cured with astonishing rapidity, we may mention—Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid inaction of the Bowels, and pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and cutaneous Diseases, which require an evacuant Medicine, Scrofula or King's Evil. They also by purifying the blood and stimulating the system cure many Complaints which it would not be supposed they could reach; such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints, arising from a low state of the body, or obstructions of its functions. They are the best Purgative Medicine ever discovered, and you will but need to use them once to know it.

Prepared by Dr. J. C. AYER, Lowell, Ms, and sold by every respectable Druggist in Canada and the United States.

Sold by E. W. Palmer, S. H. Parker, and all Druggists in Kingston and vicinity. 218-15sep

☞ EPIDEMICS NO LONGER A TERROR.—While Dr. Jas. McClintock was Physician to the City Cholera Hospital and City Prison, Philadelphia, during the dreadful epidemic of 1832, and where he attended two hundred cases at a time, he made one discovery that at once robbed Cholera, Dysentery, Diarrhea, &c., &c., of all their terrors. His "Diarrhea Cordial and Cholera Preventive," has saved thousands of valuable lives, and relieved an immense amount of human suffering. Prepared by A. CHAPMAN & Co., Chemists, 295 Broadway.

☞ MANY VALUABLE DISCOVERIES have been forever lost to the public for want of liberality of their authors to resort to the public press to announce the result of their researches to the world. Not so with Dr. Jas. McClintock, late Dean of Philadelphia College of Medicine. His Family Medicines are known far and wide as bearing the Stamp of Genuine Science. His Dyspeptic Elixir, for Dyspepsia and Indigestion, and the Alterative Syrup, for Purifying the Blood, are daily effecting the most astonishing cures on record.

☞ "ONLY A COLD!" said Abernethy, in reply to the remark of a patient—What would you have, sir! the Plague? Coughs and Colds are the avant couriers of Bronchitis, Consumption and Death. Is it not madness, then to suffer Coughs and Colds to increase in violence, and imperil life, when they can be removed with unerring certainty by a few doses of Dr. Jas. McClintock's Pectoral Syrup, or, in early stages, by his Cold and Cough Mixture.

☞ THE QUIVERING VICTIM OF AGUE AND FEVER pale, emaciated, weak, and despairing, is invited back to health and vigor through the instrumentality of two of Dr. Jas. McClintock's most Celebrated Family Medicines—the Fever and Ague Specific, and Anti-Bilious Pills. The Specific breaks the chills, and, if persevered in, permanently eradicates the disease, while the Pills regulate the disordered functions of the Liver, and restore the Stomach and Bowels to healthy action.

The above Medicines prepared under the direction of Professor James McClintock, late President of the Philadelphia (United States) College of Medicine, &c. from the purest and freshest materials, are strongly recommended to the afflicted. They may be procured in Kingston, of E. W. Palmer, also of S. H. Parker & Co., who are the duly authorised agents for the City of Kingston. 233
