CIRCULAR.

HAVING formed a Co-Partnership for the purpose of doing a General Commission Business in this City, we respectfully solicit any consignments of Produce from our friends and the public generally, who may send to this market. We feel confident we can give parties entrusting property to our care every satisfaction, and from our thorough knowledge of Canada Products, and the Market here, it will enable us to dispose of it to the best advantage, and they may rest assured that no exertion will be spared to realize the highest rates, and in all cases account sales will be promptly rendered. We shall also be prepared to make advances, when required, on consignments placed in our hands. The abundant harvest in Canada this season, the working of the Reciprocity Bill, the demand for grain in Europe, and this being the best Port for Shipment, must draw your surplus to this point. Every attention paid to the purchase of Goods of all kinds, and information respecting the state of the Markets and quotations of prices, forwarded with pleasure to our correspondents.

The Beautiful Clipper Ship
CYNTHIA,
1000 Tons Capacity,
BARTLETT, MASTER,

At Pier, east River, with despatch. The accommodations for a limited number of Passengers, are on the most approved principles for light, ventilation and comfort, being all on deck.

The success of the Pioneer Line, since its first establishment, (four years ago,) is perhaps unprecedented—no serious accident having occurred, and no claim having been made on the insurance offices; whilst, among the thousands of passengers, absolutely, no sickness has been known. The advantages of employing first class ships and experienced commanders is demonstrated by the following remarkable passages, never equalled from this country:—

Ship *Ocean Steed*, 88 Days.
" *Flying Scud*, 76 "
Ship *Windward*, 87 Days.
" *Nightingale*, 74 "
