Mr. Leeson, the U. F. O. candidate for South Grey, held a meeting in the town hall on Thursday evening which was well attended considering the poor way in which it was advertised. The speakers were Mr. Leeson, Mr. Pritchard of Minto and Mr. Harry Shaw of Artemesia.

Markdale had a hummer of a fall fair on Wednesday of last week, when a record breaking crowd attended. The proceeds, we understand, ran up to between twelve and thirteen hundred dollars, which is also a record in this county for a one day show. The day was an ideal one for an outing, and the whole countryside took advantage of it.

We have received several interesting communications this week on U. F. O. and Referendum matters which we would like very much to publish, but it is impossible to get them into type for this week, and next issue would be rather late. If any of the writers would like to have their articles go next week, however, they may notify us to that effect and we will publish them.

Mr. Berry of the power house explains to The Advance that the only trouble they have had at the power house recently was on Monday night of last week. All other trouble was owing to the town not keeping up its own repairs. He also says that on several occasions they have sent trouble men out to assist merely as a matter of courtesy. The difficulty appears to be that we have not got an electrical man to look after the plant inside the corporation.
