Seized Illicit Still

An illicit still seized in the township of Keppel, not far from Owen Sound, cost the owner a fine of $200 and costs. The seizure was made on Tuesday by Mr. D. J. Kearney, of Montreal, a special officer of the Inland Revenue Department and Mr. J. J. Johnston of the Owen Sound office. They visited the house, and after a short search found the worm hidden in a bedroom ; and further search discovered the still and goose-neck—the attachment connecting still and worm—under a manger in the stable. The owner, Jas Anderson, was brought into town and appeared before Police Magistrate Creasor yesterday. He admitted the whole thing and stated that he had had the aparatus only a short time and had not used it. A fine of $200 and costs, amounting in all to $214.50, was imposed, and was paid at once.—Advertiser.

An Ingersoll despatch says: Postmaster Joseph Gibson, Ontario's veteran temperance advocate, whose voice has been raised for many years on platforms throughout Canada, left this morning to spend a week salmon fishing in Muskoka. Mr. Gibson has been highly elated by the results on the referendum, and considers he is entitled to a holiday after a strenuous campaign. In connection with his trip he said : "After 56 years of work in closing the bars of Ontario I think an old man needs a rest."

CANADA NEEDS MONEY

War Expenditures Still to Be Met From Proceeds of Victory Loan.

The war is over and won; but Canada's main expenditures for war will not be complete until well on into 1920. The $610,000,000 raised last year has all been spent, $400,000,000 having been largely devoted to soldiers—to maintaining them, bringing them home, providing the necessary medical services, training them. Most of the balance of the loan was lent to Great Britain to enable her to buy our surplus products. And money is still necessary — for soldiers, for providing markets, for our surplus products, for the needs of reconstruction. And that is why another Victory Loan is necessary. Canada still needs money, and needs it badly.

A Good Investment.

Speculation is one thing. Investment is another. The majority of citizens want an investment, not a speculation. And they want a safe investment. Victory Bonds fill that requirement as does no other investment. Because behind every bond there is the national wealth of Canada— a wealth so great that it staggers the imagination.

Canadian Bank Clearings.

That Canada is well able to support the Victory Loan is clearly shown by the Canadian bank clearings for the current year. They indicate that the year's total will exceed $15,000,000,000 compared with $13,776,000,000 in 1918. And the year's total clearings should be three times those of 1909.
