MONDAY EV'NG, JUNE 14, 1875.

THE GENIAL SEASON.

(HETEROGENIALLY TREATED.)

The buds are out upon the trees,
They welcome back the gentle spring,
And foreign artists cross the seas
On London boards to strut and sing.
Dan Phœbus darts his garish gleams,
To lay our well kept secrets here.
For coats look white about the seams,
And hats show signs of winter wear.

The cuckoo in his stolen nest
Repeats the only note he knows,
The world of fashion squeezes west
To gaze on pictures hung in rows.
In every street a pointer swings;
The passer by looks up with dread
As dirty water wets his head,
And paint-pots fall about his head.

The fragrant flowers their leaves expand
And lift their lips to kiss the sun,
And down the bus encumbered Strand
Provincial curates mildly run.
The poet's breast with gladness trills,
And many a merry stave he trolls,
For sunshine wipes from weekly bills
Those tearful items—gas and coals.

—*London Pun.*

Bears.—Since Messrs. Perry Davis & Son commenced the manufacture of Bearine, the Canada trapper has found a lucrative business in capturing old Bruin. Messrs. Davis & Son pay a good price for the grease, and the skins are always sought after. Messrs Davis & Son have a mode of refining the grease, perfuming it, &c., making it superior to any others we have ever seen.

An Irish Catholic in the Cabinet.

(*Montreal Sun.*)

Our able contemporary the Kingston *Whig* puts in a rejoinder to our reply to his article on The Sun's advocacy of an Irish Catholic for the Cabinet. We may, with space at disposal, have a word to say, some day soon, on the temperate and well written arguments of the *Whig*. But it would be well for our friend to take to mind this fact, that our objection is not to Mr. Scott—to any man—as a Cabinet Minister; the demand is—'An Irish Catholic in the Cabinet, with a seat in the House of Commons,'—to serve as a protective assurance and power in the Bureau of Administration, and give the weight of his advocacy the Irish Catholic interests in the halls of Legislation. 'This and nothing more.'

PLOUGHING MATCHES.—The Board of Agriculture having divided Ontario into four Districts for the purpose of holding ploughing matches. District No. 1 will comprise the Province from Kingston to Cornwall and North to Ottawa. The Committee of management, consisting of Ira Morgan, A. McNabb and A. Wilton will meet at the St. Lawrence Hall, Brockville, July 9th, at noon, for the purpose of making the final arrangements for the Match, which will be held in Elizabethtown, should sufficient entries be received to warrant them in proceeding. The prizes amount to $400 and should attract some of the best ploughmen in Central Canada. Intending competitors must notify B. Loverin, Addison, not later than June 25th. At the meeting, July 9th, the President and Secretary of each Agricultural Society in the District are expected to be present.—*Brockville Recorder.*

Have you a cough, cold, pain in the chest, or bronchitis? In fact have you the premonitory symptoms of the "insatiate archer," consumption? If so, know that relief is within your reach in the shape of Dr. Wistar's Balsam of Wild Cherry, which, in many cases where hope had fled, has snatched the victim from the yawning grave.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

The Human Hair.—To give it strength and lustre, to improve its texture, to prevent its falling out and quicken its growth—in short to make it as intended, the crowning personal charm of both sexes—this is the work Burnett's Cocoaine will accomplish if faithfully used. There is a stimulating property in this preparation, which greatly assists the growth of the fibres, at the same time rendering them smooth, silky and elastic.

☞ The efficacy of Bryan's Pulmonic Wafers in curing coughs, colds and all bronchial affections, and cheering the afflicted, has passed into a proverb. In the United States, where the marvellous Wafers are known, they bear down all opposition and eclipse all rivalry; the demand for them has steadily increased for the last twenty years, until now the sales average over one hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these Wafers. When taken in season they effect a permanent cure. Sold by all druggists and country dealers. Price 25 cents per box.

Wooly Horses.—Wooly horses are not so rare as many suppose, not such great curiosity either, there are many to be found in various parts of the country, but we doubt if they will ever prove as valuable to their owners as the one exhibited by Barnum; we imagine their owners would consider them more valuable without the wool, for this rough and wooly state of the hair indicates that the horse is not in a healthy condition—probably hide-bound, or suffering from some disease which occasions this unnatural appearance; in such cases use "Darley's Condition Powders and Arabian Heave Remedy." it purifies the blood, corrects the appetite, removes all obstructions from the lungs and liver, and gives coto the at a sleek and shining appearance. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have never used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."
