Address and Presentation

On Thursday evening of last week the friends and neighbors of Mr. and Mrs. Wesley Breen gathered at their home and presented the former with a very fine signet ring and the latter with a beautiful casserole, fitted with pygax transparent glass lining. The address was read by Mr. Frank Chard and the presentation made by Mr. Robert Best. The following is a copy of the address:

Dear Mr. and Mrs. Breen,—We your friends and neighbors have met in your home to spend the evening with you, realizing that soon you are to leave your home where you have spent many happy years. We shall miss you very much, your kindly disposition and sterling integrity and genial nature has won for you many friends who deplore the loss of you and your esteemed family from our midst. But we hope that our loss will be your gain and our prayer is that where ever your lot may be cast your exemplary life and christian spirit may be an influence for the betterment of those with whom you may come in contact. As friends and neighbors we feel we cannot let this opportunity pass without expressing in some way the esteem in which you are held. We ask you to accept these gifts, and our sincere wish is that you may be spared many years to come, and that the Giver of all good may bestow upon you health and happiness in your new home.

Signed on behalf of your friends and neighbors—Frank Chard, Robert Best.

Address and Presentation

Mr. Robert Plantt, one of Eugenia's most highly respected citizens, who has recently sold his property there and gone to live with his sons, was waited on by a number of his friends on the evening of November 26th and presented with an address and Bible and hymn book. Mr. Plantt has always been a worker in church and Sunday School for over forty years. He has been a steward in the Methodist church for forty years and a delegate to conference eighteen times. His wedding was the first one solemnized in Flesherson Methodist church and he still retains the Bible presented to him on that occasion by the officials. Following is the address:

To our friend and highly respected neighbor, Mr. Plantt:

It is with mingled feelings of pleasure and regret that we have gathered here this evening; pleasure, because we can again spend a pleasant evening with you: regret, because we realize that such will be rarely possible in the future. You have performed your tasks faithfully both in the church and in the community and when any new scheme for the welfare of humanity was undertaken you were always ready to devote both your energy and time unsparingly. We shall miss you from our midst but hope you will not be so far distant but that we can see you from time to time. As a slight token of our appreciation of your praise worthy character we ask you to accept this Bible and with it go the best wishes of all present that you may be spared for many years to enjoy the comfort that is to be gotten from perusing its pages.

Signed—H. Foester, C. Graham
