Wherever there's news there's a "Star" man getting it!

EVERY event of interest—in every part of the world—is "covered" by a Toronto Star man. The Star's own exclusive correspondents cable the news from Europe, and their reports are supplemented by a leased wire service of the United Press Associations, one of the great news-gathering organizations of the world.

THE STAR also has exclusive arrangements with leading newspapers in America to receive from them their complete cable services.

Over The Star's seventeen wires comes this news—to be received by a staff of skilled writers—and by them presented to Star readers in that crisp and sparkling style in which The Star excels.

THE TORONTO STAR

Within an hour of the closing of the markets The Star presses are delivering papers with the day's complete range of prices and the "closing" figures for the day on Cattle Markets, Grain Boards, and all Stock Exchanges. The Star is delivered to your home that same evening—containing as complete Market Reports as you could get in the Toronto morning papers of the following day.

By subscribing to The Star you get these reports of the Market at least twelve hours earlier than you would learn of them through the morning papers. This, in a fluctuating market, means much to the business man and the investor.

You need The Star because it is Canada's Greatest Newspaper—always in the forefront of progressive movements—always full of news—always entertaining and stimulating. The subscription rate is 50c for a month's trial—$1.25 for 3 months—$2.00 for 6 months—$3.00 per year.

Upon Your "To-day" Depends Your "To-morrow"

WHAT you can save to-day is the foundation upon which you will lay your life-work.

The man with capital, even be it small, is the man who is ready when opportunity arises.

The savings habit is not as easy to acquire as the spending habit, but most things worth while require an effort to attain, and the capital for your day of opportunity can only be obtained by hard work, economy and saving.
