COMPOUND SYRUP
—OF—
SPRUCE GUM
TRADE MARK
AS PREPARED BY THE
SISTERS OF PROVIDENCE,
Montreal and Burlington, Vt.
IT is thirty years and upwards since we commenced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thousand of bottles. It has been only at the earnest solicitation of our friends, of ministers and denominations, that we have considered it our duty to put it up in a shape suitable to be sold on the market, by this means reaching all who may need it. The formula of the remedy is well known to medical gentlemen of this city, and approved of by them as one of the best rational agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pains in the Chest, Disease of the Lungs, and all Pulmonary affections.
Its pleasant taste renders it peculiarly adapted for children, and if carefully administered, according to the directions, may be given to a child of a month old with perfect safety, and will afford immediate relief.
It excites expectoration and cause the lungs to throw off the Phlegm or Mucous, heals the irritated parts and creates a healthy action.
One of our eminent city physicians, Dr. E. H. Trudel, Professor in Victoria Medical College, Montreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for nearly twenty years, speaks of it as follows:
"75 DUBORD ST., MONTREAL.
"It is now eighteen years and upwards that I have been attending physician to the Reverend Sisters of the Providence Asylum. During that period I have prescribed this 'Compound Syrup of Spruce Gum,' not only to the inmates, but also to outside patients.
"The valuable properties this Syrup possesses induce me to place it in the foremost rank amongst the remedies known to the Therapeutist in all cases of Coughs, Bronchitis and Consumption, affording those troubled with these complaints the most wonderful relief.
"E. E. TRUDEL, M.D.
In placing this remedy before the public we trust you will believe we are not actuated by any sordid motive. Our object is not gain for ourselves, but that we may increase our means of doing good. We presume you are aware that our Houses supported by voluntary contributions, and any increase to our means derived from our industry is devoted to alleviating the wants and sufferings of the afflicted, the aged, the infirm, the friendless, homeless and orphans of all classes and creeds.
We visit the sick and assist the needy to the utmost extent of our means, and we are sure that all will bear testimony of our desire to do good. To be ill or in want is sufficient to enlist our sympathy and receive our care.
Trusting to receive your hearty co-operation and support,
We have the honor to be, etc.,

Daily British Whig

MONDAY EVEN'G, JULY 19, 1875.

A CLOSE, HARD MAN.

A hard close man was Solomon Ray,
Nothing of value he gave away;
He hoarded and shaved;
He pinched and shaved;
And the more he had the more he craved.

The hard earned dollars he toiled to gain
Brought him little, but toil and pain;
For little he spent,
And all he lent
He made it many hundred per cent.

Such was the life of Solomon Ray.
The years went by, and his hair grew gray
—His cheeks grew thin,
And his soul within
Grew hard as the dollars he worked to win.

But he died one day, as all men must,
For life is dusting and man but dust,
The heirs were gay
That had him lain away,
And that was the end of Solomon Ray.

They quarrel now who had little cared,
For Solomon Ray while his life was spared;
His lands were sold,
And his hard earned gold,
All went to the lawyers, I am told.

Yet men will cheat, and pinch and save
Nor carry their treasures beyond the grave.
All their gold some day
Will melt away
Like the selfish savings of Solomon Ray.

Beare—Since Messrs. Perry Davis & Son established the manufacture of Bearine, the Canada trapper has had a hard time of it in measuring old Bruin's carcass. Messrs. Davis & Son pay a good price for the grease, and they also always sought other. Messrs Davis & Son have a mode of refining the grease, rendering it so nothing is superior to any others we have ever seen.

ASSAULTS ON WOMEN.—Like ourselves, some of our Ontario contemporaries are struck with the number of assaults, some simply brutal, others licentious, which are now made upon women, and not infrequently, we are sorry to say, on female children of tender age. We wish that the villainous perpetrators of these crimes could be subjected to a round flogging, which, we believe, would be the fitting retribution of their offences, and would act as an efficient deterrent. In the meantime, we hope that all magistrates and judges before whom these scoundrels are brought will visit them with the most severe punishment that the law permits.—*Herald.*

THE REVIVALISTS.—The following is the number of meetings held by Moody and Sankey in London during the last four months, with aggregate of attendance: In Camberwell 60 meetings, attended by 480,000 people; in Victoria, 45 meetings attended by 40,000; in the Opera House, 60 meetings, attended by 230,000; in Bow street, 60 meetings, attended by 600,000; and in the Agricultural Hall, 69 meetings, attended by 720,000. It is strong testimony to the popularity and usefulness of these Cosmetics that it has a host of imitators. Consumers will do well to observe that the full name, "Burnett's Cocoaine," is printed on the wrapper, and is blown in the glass. Our legal success in dealing with infringements upon our name and rights will protect the public, if only a little care is used. This tribute of imitation is paid to all meritorious and successful preparations.

Nervousness—It affords me great pleasure to bear testimony to the benefits I have received from using Fellows' Compound Syrup of Hypophosphites. I have recommended it to many of my friends, and it has proved an excellent curative for nervousness and general debility. It is also a first class tonic, enables a person to take flesh rapidly, and is free from the constipating effects characteristic of other tonics I have tried.

Two Questions Easily Answered.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use Bryan's Pulmonic Wafers? Because when used for coughs, colds, tickling in the throat, hoarseness, &c.; they act like a charm. Ministers and lawyers use them, physicians recommend them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all druggists and country dealers. Price 25 cents per box.

A Good Horse.—There is much pleasure and profit in the service of a good horse, and but very little of either in a bad one; no pain from choice will retain a bad horse; many, however, are in possession of such who need not be. We think there are few horses so bad but that their condition can be improved and rendered more valuable and useful for their owners, to effect which there is nothing equal to Darley's Condition Powders and Arabian Heave Remedy. It has effected astonishing results in thousands of cases. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man." —A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have never used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." —Joseph Rosan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." —A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."
