Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalising Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing **Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints,** *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has **PERUVIAN SYRUP** *blown in the glass.*
