George Ward of Lions Head was brought to the Walkerton jail and arraigned before Judge Klein on a charge of abducting Caroline Schope, a fifteen year old girl of Lions Head, and threatening to shoot her father, Conrad Schope, when he took his daughter's part. According to the prosecution Ward took the girl away against her father's wish and illegally lived with her for a time. On Dec. 5th he is alleged to have entered Schope's home and started in to abuse the daughter. When the father went to take the girl's part Ward is stated to have assaulted him and beat him over the head. When Schope finally got to his feet and started to follow him off the premises, Ward is claimed to have turned and fired a revolver at him. On the prisoner coming before Judge Klein yesterday he was remanded to jail until Jan. 14th for trial.—Herald and Times.

A Bank Account For Your Wife

More and more, are the wives of today running their homes on a business basis—systematically and efficiently.

Many wives have a monthly allowance for household expenses.

This, they deposit in a Savings Account in The Merchants Bank—settle bills by cheque—and thus have an accurate record of bills paid.

Such a business-like method also gives a woman the feeling of happy independence in having a bank account of her own.
