Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

SETH W. FOWLE & SONS, Boston, Mass.
And sold by Druggists and Dealers generally.
