Vote for Morrison for Reeve in the coming municipal election. A vote for him means his influence being used in a fair deal for the whole township. Should the time come when the hydro electric road may be run from a point south of here to Collingwood don't make any mistake other aspirants would use their influence to have it run at the extreme east side of the said township. So vote Morrison for Reeve of Osprey and the hydro road across the centre of the Township as nearly as possible.

There was little or no criticism of the old Council's municipal work and questions asked by the ratepayers of Reeve Morrison and his colleagues were answered in a gentlemanly, straight forward manner, showing that they had nothing to conceal and that they had a pretty clean record. Why not keep the good men we have?

Our public hall certainly presents a very delapidated appearance. Quite a number of panes of glass are broken in the building. The hall could be fixed up for two or three hundred dollars and if something isn't done soon will be a total wreck. Wm. Stuart has been doing his best to raise funds for this purpose. It will take three or four thousand dollars to build a new hall. Let us get up a big tea meeting and entertainment to help defray expenses of same.

Mr. Schwan, a farmer near Berkeley, took charge of the service in the Methodist church on Sunday morning, Dec. 21, and preached a Christmas sermon that was much appreciated by the congregation.

A number of our citizens went over to the township hall, Glenelg Centre, on the evening of Dec. 22, to see the memorial tablet unveiled. The names of all the Glenelg boys who went overseas are inscribed on the granite slab that stands eight feet high and built in the wall inside the porch lately built to the hall. One principal column contains the names of the heroes who did not return. The memorial was constructed at Corbett's granite works, Mt. Forest, at a cost of $1200.

Married—In Toronto, on Dec. 22, W. Stanley Ferguson, B.A., of the High School of Commerce, and Miss Ethel Stapleford of Gerrard street, city. Stanley as a school boy, went from Priceville to Owen Sound Collegiate and was afterwards well known in Kimberley, Heathcote, Walters Falls, and later in Huron street school, Toronto. He and four of his college chums enlisted in the C.E.F. for Siberia, where the Canadians and Japanese, assisted by some U.S. troops, saved the city and port of Vladivostok as well as a good many miles of the Siberian railway from destruction by Bolsheviki rebels. He returned last summer and was given his old position in the High School of Commerce. Miss Stapleford has held a good position as teacher in Huron street school for several terms and now they will live in the house they have bought on Beresford avenue, near High Park.
