## ROCK MILLS

Born— On Sunday April 30th,1944, at the Eastern General Hospital, Toronto, to Mr. and Mrs. Arthur Bailey, (nee Lorine English) the gift of a daughter.

Mr. Jas. Brown, sawyer here, spent the week end at his home in Owen Sound.

The recent rains are causing a very rapid growth and everything looks lovley and promising.

Several farmers in this vicinity will finish seeding this week, and about the same acreage has been sown as in former years.

Mr. Ern. Brownridge, who is employed at the mill, spent the week end at his home in Feversham.

We are pleased to report Mr. Mannie Dobson greatly improved and it is hoped that he will be able to return soon. Members of the family visited him at the Durham Hospital on Sunday.

Rock Mills Ladies' Aid will meet at the home of Mrs. J. J. Boyce on Tuesday, May 16th. Visitors are welcome.

## Money Was Found in Straw Mow At Dunedin

William Jamieson had the unique experience of finding $32 in his straw mow during the winter months The money had been lost by Garfield Thurston during threshing operations last autumn but supposedly lost in Wm. Bulmer's barn.

Shortly before Christmas Wm. Jamieson found a $2 bill when putting down straw. Being aware of Thurston's loss he was constantly on the alert for more money. Gradually one by one the bills turned up, also the wallet that had contained them. Besides the bills Jamieson found his registration card and several other papers, all of which had come through the machine unharmed except the purse, which was badly riddled and completely empty. The money and papers were scattered all through the mow and were found during a period of over three months. It was a surprised and grateful 'Garry' when 'Bill' presented him with his 'find,' so grateful that he handed out a five dollar reward. Jamieson had found everything that had been in the purse except about thirty cents in change. —Creemore Star.

## Our Own Canadian Band

It is a happy diversion to drive out into the country in the evening at this season of the year and see and hear nature in full swing. We were particularly interested last night in listening to the music of a splendid frog band. It was marvellous. We do not suppose the frogs knew they had an audience, but if it was just a rehearsal those frogs are sure making themselves heard after a long dormant season. We particularly admired a strong basso who just knew when to sound those deep guttural notes. The tenors and sopranos were not numerous, with just enough altos to make for good harmony. If you appreciate nature, you can get a real kick out of a quiet hour near the location of a good frog pond. —Creemore Star.

Class of '47—"Do you know who was the first electrician?"

She—"No, who?"

Class of '47—"Adam. He furnished spare parts for the first loudspeaker."

# THANK YOU CANADA

## ...but there's still a WAR JOB to do!

OFFICE OF THE MINISTER

CANADA

DEPARTMENT OF NATIONAL WAR SERVICES

*To my fellow Canadians:-*

*You the citizens of Canada and members of the Voluntary Salvage Committees and many other Voluntary War Workers have done an excellent war job.*

*Canada, in doing her part to help win the war, has been greatly assisted by your voluntary and unselfish devotion to the important duty of saving and turning in the essential war materials. You have backed up the boys overseas and your activities have been a material factor in turning the tide of battle against the enemy. When Canada's stock piles have been dangerously low, you have discovered, saved, and salvaged waste material which has been turned into weapons, ammunition, explosives and containers. Your Salvage Campaigns have been Nation-Wide and of National importance. Your job has been a big one which you have nobly performed.*

When at war the past is the past and we must look to the future. Again I appeal to you!

There is another National war emergency which must be met and overcome. Experts on the matter have assured me that there is a critical shortage of Waste Paper and that the situation is desperate. War supplies must reach our Fighting Forces who will use them against the enemy. War supplies must be safely packed. As we march on nearer to the enemy more supplies are required by our Fighting Men. More - much more Waste Paper is wanted now.

Paperboard mills are working on a day-to-day basis and some are facing shut-downs because reserve stock supplies of Waste Paper are critically low. From now on every scrap of waste paper is to be saved and turned in to the Nation through regular Waste Paper channels.

Fellow Canadians please help!

Yours sincerely,

L. R. LaFlèche,
Minister, National War Services.

## CANADA NEEDS 20,000 TONS OF WASTE PAPER EVERY MONTH

**WHAT IS WANTED:** You can remedy this critical paper shortage by saving every scrap of Waste Paper, namely: wrapping paper—store bags—cardboard—cartons—corrugated board —old magazines and books—envelopes and letters—newspapers. These represent the raw material for making vitally needed Paper containers.

**HOW TO DO IT:** Tie securely in separate bundles. (The little time you take will save thousands of man hours.) *Then* dispose of it through your local voluntary Salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar or others. The important thing is to get your Waste Paper moving to the mills.

DEPARTMENT OF NATIONAL WAR SERVICES

## CLEAN Crankcase and Valves . . . IMPROVE Performance . . . PREVENT Costly Engine Repairs!

Sludge is a thick, dark mixture of used oil, water, carbon and unburned gasoline which forms mainly in the crankcase of car and truck engines—it plugs oil screens and oil passages and damages other engine parts.

Slower wartime driving—shorter trips—lower grade fuels make sludge a common problem now.

Low cost *sludge removal service* from a *GENERAL MOTORS DEALER* today will:—

— Save gasoline and oil — prevent costly repairs.
— Extend the life of your car or truck—improve performance.

*This information is made available to you, the owners of Canada's cars and trucks, to assist you to conserve your vehicles, and so safeguard against a breakdown of the country's automotive transportation up to and even beyond the day of Victory!*

**Our CONSERVATION SERVICE will help you to:**

*Avoid Engine Failure by:* Cleaning engine oil pan — valve operating mechanism . . . Checking oil pressure and testing compression.

*Save Gasoline and Oil by:* Engine tune-up including carburetor, battery and electrical system.

*Stretch your Tire Mileage by:* Maintaining proper tire pressure . . . Tire rotation every 3,000 to 5,000 miles . . . Regular inspection of wheel alignment and balance — brakes and shock absorbers.

*Prevent Deterioration of Body and Fenders by:* Repairing and refinishing damaged or chipped surfaces . . . Washing body as required to preserve the finish and to keep drain holes open as a protection against costly rust damage.

*Extend the Life of your Car or Truck by:* Regular lubrication (at least every 60 days) . . . Minor inspection and adjustment (every 1,000 miles).

ALWAYS GO TO A GENERAL MOTORS DEALER FOR

## Mrs. Jas. McWhinney Dies

The death occurred at 9.30 o'clock Friday morning, May 5th, at Ceylon of Mrs. Eliza McWhinney, in her 76th year, widow of the late Jas. McWhinney. Mrs. McWhinney was formerly Eliza Willis, daughter of the late Mr. and Mrs. Sydney Willis of Normanby Twp. and was married to her late husband 52 years ago. They resided near Hanover for many years and moved to Ceylon 21 years ago. Mr. McWhinney passed away 11 years ago, also one son Gordon passed away 21 years ago. One sister, Mrs. George Acton, Paisley, and one brother, Mr. George Willis of Gladstone, Manitoba, survive; three sisters, Mrs. Robert Acton, Mrs. Thos. Ash and Mrs. Rogers, and and one brother, David Willis, are deceased.

The deceased, while not in good health for a length of time was a cheerful and kind disposition and lived a very energentic life, always illing to lend a helping hand in time of need and will be much missed by her many friends. Mrs. McWhinney was a member of the Presbyterian Church in Hanover. Left to mourn are one daughter, Cecile, (Mrs. Archibald) and two grandsons, Tpr. Lloyd Archibald, who is overseas and Harvey Archibald, of Violet Hill.

The funeral took place Monday from her late residence in Ceylon. Rev. C. D. Cox, pastor of the United Church, gave a very comforting message. The hymns used in the service were "Rock of Ages" and "Safe in the Arms of Jesus." The beautiful floral offerings were silent messengers of sympathy.

The flower bearers were: Mr. Harry Metcalfe, Mr. Geo. Hodgkinson Miss Mary Switzer and Mrs. William Willis.

The pall-bearers were: Messrs. Wm. Willis, Talman Ash, William Switzer, Willard McWhinney, Alex. Hergott and Earl Maycock.

Friends and relatives from a distance were; Mr. and Mrs. Talman Ash, Mr. and Mrs. Ed Collins, Mr. Edgar Ash, all of Chesley. Mr. Willard McWhinney, Gravenhurst, Mrs. George Acton and Mrs. George Hodgkinson, Cargill; Mrs. Harry Metcalfe, Pinkerton, Mr. and Mrs. Will Switzer and Miss Mary Switzer, Mr. and Mrs. Wm. Willis, Hanover; Mr. Earl Maycock, Varney; Mrs. Will Maycock, Hanover; Mr. Harvey Archibald, Violet Hill; Mr. Alex Hergott, Toronto; Mrs. C. McWhinney, Markdale, and Mrs. Geo. Woods, Chatsworth.

Some of the best cooking tips are available now. You'll find them on the end of asparagus stalks.

Wheat, hitherto a food preserve of human beings, is rapidly being invaded by livestock. This crop year as much wheat will probably be eaten by animals as by people
