Conditions are all favorable for a railway blockade this winter. Continued snow storms have already given us more than two feet of snow and it still comes. Unless we have a thaw the possibilities are for three or four feet of snow in February, and you know what that means. The railways are even now finding difficulty with derailed snow plows and delayed trains. The morning train on Monday was delayed at this station owing to a snow plow being off the track at Saugeen. Let us hope for a thaw before we are entirely snowed under.

THE FARMER'S PAPER TWICE A WEEK

The Farmers' Sun is to be enlarged and improved and to be published as a semi-weekly. This move to supply the Ontario farmers with a paper of their own more frequently than weekly, will be appreciated not only by readers of the Farmers' Sun but by the farmers generally.

This is a move in the right direction and will enable Sun subscribers to keep better posted on the live stock and other markets which are of great importance to all having stock or produce to sell, as well as to those desiring to purchase feed or other commodities. In addition, each issue will contain accurate and full information, political and general, up to the hour of going to press. No other farm paper will equal the Farmers' Sun in the service rendered to its readers.

When you subscribe for a farm paper, subscribe for The Farmers' Sun, owned by the farmers and published in the interests of the Ontario farmers. The subscription price of the twice-a-week Sun is only $1.50 per year or three years for $4.00. No well wisher of the farmers' movement should be without The Sun.

HOCKEY

DUNDALK 8, FLESHERTON 3

The second game of Group 16 O.H.A. intermediate series was played in the Flesherton rink on Friday evening of last week between the Dundalk and the local teams and resulted in a win for the former with the score 8-3. It was a fast and exciting game right from start to finish and the locals showed up fine, a much better aggregation than the team which played in Markdale the Monday night previous. Within two minutes of play the locals bulged the Dundulk nets for a counter, Dundalk coming back in short order with two counts, Flesherton scoring again. Period ending 2-2. In the second period Flesherton started scoring again and led by one goal. Dundalk came back and slipped four more counters in the Flesherton goal. Period ended with Dundalk in the lead, score 6-3. In the last period Flesherton failed totally, Dundalk scoring twice. The game ended, Dundalk winning with the score 8-3. The locals should be given great credit for the good showing they put up. At times rough work on the part of both teams came to the surface, but referee Ward kept good hold on the playing and many penalties were given to each team.

The following is the list of players :

Flesherton		Dundalk

F Brady	R Defence	Ridley
